Introduction

There are terms in this book that may be offensive. These are just the terms that the Egyptians used for their enemies. For instance the word **Haribu** is Egyptian and became Hebrew. The Israelites were called **Heka Khasut**. The foreign invaders such as the Caucasians were called **Tam'a-hu** meaning "living filth". This is in reference to their lack of knowledge of hygiene and their body odors due to their ignorance.

Pa Tuta is a term used for an evil person or being. This is regardless of race gender or creed. And then **Apep** "Apophis" is a demon creature a serpent that punishes those souls that have failed in the Hall of Judgment when weighed on the scale against the feather of **Ma'at**; also the Devil of your Bible, called **Nakhash** In the Hebrew. In the **Qur'an "Koran"** 2:256-257 you see the word **Taaghwt**. When you look in **Genesis 3:15** it says the serpent has a seed. That means the serpent has a physical seed, flesh and blood and that is why Jesus said in **John 8:44** you are of the devil your father and I quote: "You are of the Devil as father, and the lusts of your father you will do. He was a murderer from the beginning, and did not abide in the truth because there is no truth in him. When he speaks a lie, he speaks of his own, for he is a liar and the father of it"

Leviathan is also a term used when referring to a serpent; yet is also used when referring to the **Spell of Sleep** that the **Egyptians** call **Amam** "The Devourer". **Leviathan** is the great serpent or dragon mentioned in the book of **Revelation Chapter 12**.

Revelation 12:7

Modern Greek Script

και εγενετο πολεμος εν τω ουρανω ο μιχαηλ και οι αγγελοι αυτου επολεμησαν κατα του δρακοντος και ο δρακων επολεμησεν και οι αγγελοι αυτου.

"And there was a battle in the skies Michael and his Angels
fought against the dragon and fought his angels."

Right Translation In Greek by:
Neter: A'aferti Atum-Re
Translation for King James 16 A.D.

"AND THERE WAS A WAR IN HEAVEN; MICHAEL AND HIS
ANGELS FOUGHT AGAINST THE DRAGON; AND THE
DRAGON FOUGHT HIS ANGELS."

You will also see Caucasians referred to as "White" the
same was Negroids are called "Black" and Orientals are called
"Yellowman" in relation to color. Yet, this doesn't make it right,
but is not wrong according to the definitions in the dictionary.

According to *American Heritage Dictionary* Black means:
Black 3. Often **Black**. **a.** Of, relating to, or belonging to a racial
group having brown to black skin, especially one of African origin:
the Black population of South Africa. **b.** Of, relating to, or
belonging to an American ethnic group descended from African
peoples having dark skin; African American; Afro-American:
"*When the history books are written in future generations, the
historians will . . . say, 'There lived a great people—a black
people—who injected new meaning and dignity into the veins of
civilization'*" (Martin Luther King, Jr.). "*Despite the exposure,
being young, gifted and Black in the corridors of power has its
trying moments*" (Ebony).

White means: **White.** *A member of a racial group of
people having light skin coloration, especially one of European
origin.*

Yellow means: *Yellow Of or being a person of Asian origin*

This scroll is not to be mistaken for as a racial book
because people of all race can be a member of the *Egyptian
Church of Christ Inc., ECC.*

There is an evil hypnotic spell of **amnesia** cast upon the
Nuwaupians, Black people everywhere called "Kingu" "the
Hypnotic Spell of Sleep" or what is commonly known as "The
Spell of Leviathan". Our people have been in a coma state for
6,000 years, of the conscious mind, making you forget your true
identity of self In Ancient Tama-Re "*Egypt*" we called it **AMAM**.
This Spell of Amam is enforced through the media and
religious propaganda that promotes scriptures, such as the English
translation of the Bible and the English translation of the Qur'an
"Koran", that consists of blind faith and beliefs with no facts or
confirmations; out right ignorance to who they are. The powers of
Amam "Leviathan" are actually enforced by these fake religious
book, and white supremacy propaganda, which I call **White Magic**.
In their original tongue and form, the purpose of these religious
books were for guidance, until disagreeable forces altered them
into the form you have today which has you living off of blind
faith. You shall know the truth *John 8:32*. Do not believe in the
Truth. Know it through confirmation! Also a scripture written in
Hebrew or Arabic does not make them true. Both the Hebrew
Torah "Bible" and the Arabic Qur'an "Koran" have mistakes in
them, and God or Allah could not make mistakes, not to mention,
the original scriptures were destroyed. They don't have them.
They only have replicas.

These religions themselves, **Mosesism** "Judaism",
Christism "Christianity", **Muhammadism** "Al Islaam" are
spells. How? **RELIGION IS A SPELL**, because it keeps you
thinking that someone or something is going to save you, when the
helping hand that you're looking for is at the end of your arm.
RELIGION IS A SPELL, because it has you believing that you
can't have anything of worth until after you die, and go up
somewhere in a heaven or garden, when all you have to do is work
for it (*Refer to What Is God Doing For You, Scroll #54*). They
don't describe anything in heaven, you or a millionaire can't get

right here on earth. **RELIGION IS A SPELL**, because it condones people turning into bums, dropouts and failures of society, when a steady income could solve most of your problems. **RELIGION IS A SPELL**, because it has you believing in spooks and ghost. However those whom you were made in the image and likeness of, were physical beings of **Tama-Re, "Egipt"**. Your **Neteru, or Neteraat "Supreme Beings"** called god, were and are real. **Neter "Supreme Being"**, the father, **Asaru "Osiris"**, **Neter "Supreme Being"** the Son, **Haru "Horus"** and the Mother, the **Netert "Supreme Being"** **Aset "Isis"**, are real people. In fact, they are making themselves known. The tombs of **Asaru "Osiris"** and **Aset "Isis"** have recently been unearthed, so they are no longer a myth.

The spell of **AMAM "Leviathan"** is also enforced through **Pa Tama'-Hu**, man or Ghost man's media by establishing how you as Blacks should look, what you should wear, how you should feel, where you should go, where you should work, how you should spend your money and what you should eat. The **Tama'-Hu** man tries to control your mind and all your feelings to make you work against yourself and kind.

The spell of **AMAM** is also enforced through the public school system by instilling in you since childhood, the concept of **1, 2, 3**. Everything is taught to you in threes, your **ABC's**; your **123's**; your nouns, **Persons, Places, and Things**; **The 3 Little Pigs, The 3 Bears, Etc.** The Spell of **AMAM "Leviathan"** is in the mode of **"1, 2, 3"** or **"persons, places, and things"** locked within the **3** dimensions and there is nothing you can conceive that does not fit in either of those categories. Everything is in some way based on the number **"3"**, for example:

A. The Three R's =

1. **Reading**
2. **Writing**
3. **Arithmetic**

B. The Trinity =

1. **The Father**
2. **The Son**
3. **The Holy Ghost**

C. The Bible = based on:

1. **God**
2. **Devil**
3. **Humanity**

D. Lifestyle concept =

1. **Home**
2. **Job**
3. **Money in the Bank.**

With these three methods, **Religion, Media and Schools** (or sheowl שְׂאוּל meaning **"hell"** in the Aramic (Hebrew) language) you have been programmed from a very young age, even in something as simple as being taught to say **Hell-o** or **"Hell is Low"**.

In all their religions, they worship **Hades** (Ἅδης - the underworld), which is the Greek word for Hell. That's why they greet with hell-o, and their ancient Greek religion and way of life culture and language are all based on the prefix Hell.

First, let's go to the word **holy** according to the *American Heritage Dictionary*.

ho·ly *adj.* **ho·li·er, ho·li·est**. 1. Belonging to, derived from, or associated with a divine power; sacred. Middle English *holi*, from Old English *h³lig*. See **kailo-** below

HALE¹, **WHOLE**, from Old English *hale*, whole; **b. WHOLESOME**, from Old English * **HOLY**, from Old English *h³lig*, holy, sacred; **b. HALLOW**, from Old English *h³lgian*, to consecrate, bless, from Germanic derivative verb **hailaga*. Both **a** and **b** from Germanic **hailagaz*.

Now, we look up the word **Hell** according to the *American Heritage Dictionary*. **Hellenism** is today's holistic societies. Note the word **Catholic** as **cat** and **Holistic**. **HELL**, from Old English *hell*, hell; **b. HEL**, from Old Norse *Hel*, the underworld, goddess of death. Both **a** and **b** from Germanic **halja* the underworld ("concealed place")

Ho·lis·tic *adj.* 1. Of or relating to holism. 2.a. Emphasizing the importance of the whole and the interdependence of its parts. b. Concerned with wholes rather than analysis or separation into parts:

Hel·lene also **Hel·le·ni·an** --*n.* A Greek.

Hel·le·nism *n.* 1. An idiom or custom peculiar to the Greeks. 2. The civilization and culture of ancient Greece. 3. Admiration for and adoption of Greek ideas, style, or culture.

Hel·len·ic *adj.* 1. Of or relating to the ancient Hellenes, their language, or their history; Greek. --**Hel·len·ic** *n.* The branch of the Indo-European language family that consists only of Greek.

Hel·le·nist *n.* 1. One in Hellenistic times who adopted the Greek language and culture, especially a Jew of the Diaspora. 2. A devotee or student of Greek civilization, language, or literature.

You have learned not to question anything that is taught to you, not even the obvious contradictions or things that lack plain common sense. You don't go past what you are told. You are so caught up in the Spell of AMAM "Leviathan", that you are unable to come up with anything new. You can't create a line. You always go to the devil to learn how to support your family. You work for them against yourself and kind. Everything you do or say has already been done or said many times before; but now is the time to break that spell with The Ancient Egiptian Order, A.E.O.

Ques: Who cast The Spell of Amam?

Ans: Zuen also known as **Enzu**, **Shakhar Kato**, **Devil**, **Ibliys**, **Shaaytan**, **Belus**, **Nulush**, **Hadad**, **Ha Satan**, **Tarnush** and **Apophis** in **Tama-Re "Egipt"**, the father of **Haylal** cast this evil hypnotic spell of sleep. **Apep "Apophis"**, a **Remusyan "Reptilian"** from the planet **Rum "Titan"**, according to the Sumerian Doctrine. Most of you think **Saturn** is a planet as you have been programmed to think when actually it is a ball of gas, not a planet. **Zuen** cast this spell for **Enqi**, **Nudimmud** of **Sumerian culture**. **Nudimmud**, who is equivalent to **Sutukh** in **Egipt**, was the founder of the city of **Nod**, **Lebanon** of **Old Phoenicia**, who was master of **Ta "the planet Earth"**. **Enlil**

(**Asaru**) **Enqi** (**Sutukh**) brother, the sons of **Anu**, or (**Re "Ra"**) The Heavenly One, had 7 tablets in his possession called "The Scroll of All", which told of the coming of the **Elders**.

Figure 1

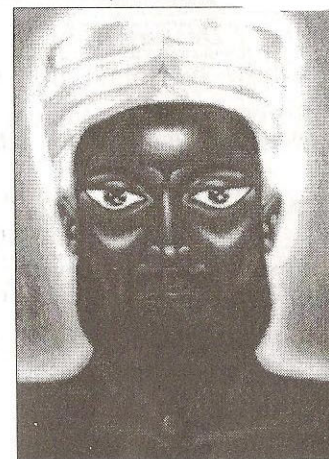

Figure 2

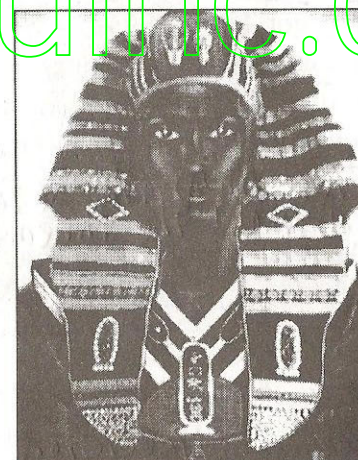

Figure 3

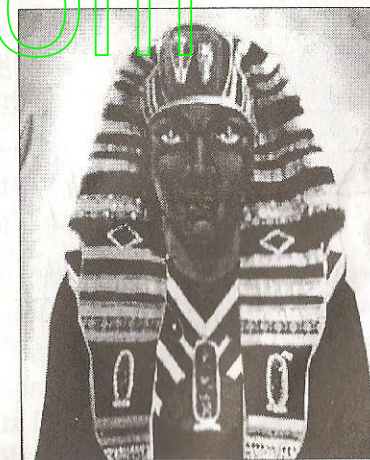

Figure 4

Zuen, equivalent to Apep "Apophis" of ancient Egypt, befriended Enlil, equivalent to Asaru "Osiris" of ancient Egypt and became his gate keeper for the sole purpose of reading the Tablets of Destiny "The Scroll of All" or The Akasha Records; that's how he found his way to this secret chamber, the 9th Chamber, where the tablets were kept.

Zuen, Apep, Apophis stole the first writings of the tablets and changed all their destinies, or changed what was to happen. At that point, everything was at a standstill, the Earth was void and dark, the Pa Neteraat "The Eloheem" were in conflict. You had 12 Qa'hat "agreeable" and 12 Netchnetch "disagreeable" and Enlil, Asaru was left speechless.

Enlil meaning "Divine of The Heavens or the Skies", ruled the skies and was the son of Anu, who is Allah or El Eloh of the Neteru "Eloheem Anunnaki", and master of the heavens and earth. Once Zuen, Apep (Apophis) got The Tablets of Destiny, he gave them to Enqi, Sutukh and together they conspired against Enlil, Asaru and the descendants of the Adamites, Enosites and the Cainites. Anu, Re "Ra" is our heavenly father, Abaanaa, of Tama-Re "Egypt".

So with Zuen, Apep, "Apophis" help, Enqi, Sutukh "Set" was able to cast a spell on the descendants of Enlil, Asaru "Osiris". This was done out of jealousy and a power conflict with his brother started, as with the stories of "Cain & Abel, Jacob & Esau, Ishmael & Isaac, and Solomon & Adonijah. All of these storied came from the real stories of Asaru "Osiris" and Sutukh "Set" from ancient Tama-Re "Egypt". This spell could also be used to control the pro-created beings that would work for Pa Neteraat "The Eloheem and The Anunnaki "those who came down in 50's" in the gold mines of South Africa, then called Raphali (Refer to Birth Ceremony, scroll #50), and those who stav in the Heaven, Elul.

Jacob

They were able to execute this SPELL of Amam "Leviathan" by making that which was bad look good, and that

which was good look bad. They made dark -peace, and tranquility look and seem *bad*; and fire -lightening, explosions, and light look and seem *good*. So Tama-Hu people look good and Nubian people look bad, making it easy to accept a *white god* and a *white son of god*. They were able to control you so well, because they actually bred with you, and have gotten into your blood, which gives you the desire to want to be like them. And they do not allow you to hate them or love yourself, which makes it harder, but not impossible, to awaken from under the spell of *self-hate*. Then they created the Bible and books with all white pictures for you and your children. They make and have movies about Bible stories with all white people from *Jesus* to angels. Plus you have *Michelangelo's* Portrait "*Creation of Adam*" where God is reaching for Adam's hand, and they are both white. The Moslems did the same thing in the Islamic movie, about *Muhammad* and his companions. All are white and so are all their pictures. It's all religious racism.

Figure 9
Michelangelo's portrait on the ceiling of
The Sistine Chapel, The Creation of Adam

This is to control you mentally so you would continue to follow them blindly without question, so not to alarm the "*sleeping god*" *Neter* "*Supreme Being*" within, The True Egyptian

The Bible is a fabrication of the Babylonian texts from the original seven tablets called "*ENUMA ELISH*" and the "*GILGAMESH EPICS*" that bred the belief in a book that this *Yahweh* called *Tammuz* "*sprout of life*" *Ezekiel 8:14*, the son of *Ishtar* and *Dummuji*, along with a council of 46 *Anunnaqi* plagiarized for the seed of *Seth*; This happened in *Nod, Phoenicia or Lebanon*. *Tammuz*, The Lord did not create the Bible. He made it easier by extracting parts from the *Enuma Elish* and *Gilgamesh Epics*. You see, *Tammuz* was appointed as the Lord, over you. He is called *YHWH, Jehovah Genesis 4:26*, who used the ancient Sumerian tablets as his guidelines. Disagreeable beings, *Canaanites* came in with their influence and now have people following behind them in blind faith. When at one time you as *Neteraat* "*Supreme Beings* gods and were in direct contact with your own spiritual forces, knew.

They call themselves Hebrew and were not. They call themselves Nazarites and were not. They call themselves Christian and were not. They call themselves Muslim and were not. The original of all of these were Blacks, Nuwaupians, Not Tama'-Hu as you see today masquerading around as the original people, when they are not.

The original Hebrew or Chaldean were Black from Abram or Abraham son of Terah. The original Greeks were Black from Javan son of Japheth. The original Arabs were Black from Kedar the son of Ishmael. But with the spell came the enchantment called "Religion" Muhammadism as the Muhammadans say in Islam "DIN" (دين), which is the worship of the goddess DINA;

Diagram 1
The Christian Blessed Mother Mary "Dina"

also known as Ishtar, the Egyptian Equivalent is Aset "Isis".

At first Zuen, Apep, Apophis, was conspiring with Enqi to cast the spell on Enlil's seed. However, Zuen had an ulterior motive. He wanted to find out his destiny, because in his heart he wanted Enlilship, Osirianship, meaning "control over the - lil (skies)". Then Zuen, Apep, Apophis turned against Enqi, Sutukh Set and cast the spell on Enqi's "Set's" seed also. This same spell is on Blacks worldwide today.

The adverse spell is also in the atmosphere itself, because Amam "Leviathan" which is broken down as: "Levi" [law] & "Athan" [sin] emanates it. Amam is the ghost spell (or "GOSPEL") of spiritual ignorance and racial blindness, and the only way this opium-like hypnotic spell can be broken is by **THE RIGHT KNOWLEDGE, THE RIGHT WISDOM, and THE RIGHT OVERSTANDING** of yourself, your kind and knowledge of others. The reason the spell has existed for so long is because the spell itself is hypnotic and you are in a state of amnesia, and although many of you are waking up, you still need to remember or re-know who you are. This science is, called Nuwau-pu, taught through The Ancient Egyptian Order, A.E.O., only works with nature, and its atmosphere of the new sun cycle - the revolutionary cycle - after the year **2000 A.D.**, which was marked by the electric storms on the sun, that create bad weather patterns, deformed animals and humans, hail storms, change in weather patterns, landslides, droughts, sink holes, buildings and other structures collapsing, and war all over the world. There are earthquakes, floods, insanities in humans and plane crashes. Racial tensions are increasing and more and more Nuwaupians. Blacks are waking up and becoming aware of their condition and de-forming, and not conforming to the Devil's ways. Apophis' time is up and he will fade away; and **Blacks** will give up on the white man, slave master's religions, and return to Egyptian teachings.

THE RIGHT KNOWLEDGE, THE RIGHT WISDOM and THE RIGHT OVERSTANDING can only produce right thinking for the Nuwaupian Egyptian Moor, Blacks; and Right Thinking causes us to follow the right way to liberty and equality through **RIGHT WORDS and RIGHT WORKS**. **Right Knowledge** is truth, and truth is the best knowledge. Therefore, if information is the best knowledge, then the best knowledge is **Right Knowledge, and Outformation is Supreme Mathematics, Black Magic. It's our time to rule self!**

Ques: What is keeping you spellbound?

Ans: Part of the Devil's evil spell that has a hold on you, are negative spirit forces, 6-ether forces, sympathy, pity, apathy, jealousy dis-contentment, self defeat and inferiority complexes, white magic. These feelings which are within the hearts and minds of Blacks, were sent to them by Amam "Leviathan". This means, although those negative spirit forces of "white magic" are within many of the "captives", **Blacks The Egyptian Moors**, they work against "Blacks"; because they are allies of the "captor". They really think they can trust **Pa Tama'-Hu** or ghost man. Although many captives **Negro or Necro "Dead"** are willing helpers or allies of this 6-ether force, they will only be used by this force; for those that follow the white "ghost" image, are compelled to do the very things that are preventing their rise from their bondage. It is a very depressive position for a race of people to be in, having forces within self constantly working against ones self and kind. This force is called "Ra'a" (רָא) in the Hebrew Torah or Bible, the disagreeable or the negative side of will (Genesis 3:22); not to be mistaken for the Egyptian deity of the sun **Re "Ra"**, our own force. They tried to deceive you. The words look alike, but that is the position of the oppressed, and the only way to destroy the negative forces that maintain that position, is to destroy the negativity, and ignorance that those negative forces live and strive on, such as bright light and white magic. The acceptance of **Right Knowledge** is the solution, which leads to **Right Thinking**, and right thinking leads to **right action**, and breaking away from their fire forces.

Nubians OR NEW-BEINGS, Blacks do not just read this scroll and the others of "The Right Knowledge Series" (Mythology, The Right Knowledge, First Language, What is Nuwau-pu? Our Bondage; The Black True Roots, and Garden of Eden), but study them also because, these scrolls are dedicated

and designed to offset and help destroy the negative, "Negro" that is, Necro-"dead black", and slave minds amongst you. The spell of ignorance, is taught to us by the slave master, with his white magic, through Christianity, Judaism and Islam. Also through other white religions of a spook or spirit or ghost worship, which is their spirit force not our own.

Ques: Tell me more about Right Knowledge?

Ans: Right Knowledge organizes and unifies the minds of **Nuwaupians** "Nubians", that is **Egyptian Moors** called **Black** people, *Negroes, African Americans* and others individually and collectively. If knowledge is not to be confusing and thereby effective, then it must be in sequence. Knowledge received must be in an organized sequence in order to put the mind in order, and unity. One purpose of these scrolls is to help organize and put the minds of **Nuwaupians** "Blacks" in unity and order enough to qualify for your own effective spiritual science called **NUWAU-PU** (noo-wau-poo). Black magic is for **Black** people. It will clear the fog and your single eye will re-open. Safera "Clairvoyance" meaning "clear vision" will return and you will see again. **NUWAU-PU** and the forces and powers thereof are liberty, equality, justice, rightness, and proper survival for **Nuwaupians** "**Blacks**" everywhere. **NUWAU-PU** and the powers that make it effective and binding are the equalizers for **Black Folk, Egyptian Moors** in all fields of necessity and endeavors in which other races offer contest. The liberation forces for **Nuwaupians, Blacks** are not **Caucasian** and their **Tama'-Hu** form of Jesus, or their **Lord**, their **Allah**, nor the spirit power-names of any other race and their gods. The liberation forces of **Nuwaupians, Blacks** are **9-Ether** whose scientific name will be disclosed in our science **NUWAU-PU**. **9-ether** is the original creative forces that made these scrolls possible.

Ques: What is Negro mentality?

Ans: Negro mentality is negative mentality, a slave mentality. The very word is **necro** means dead and **Negro, negra-omega** "means black death". A Negro, negative, or slave mind is one, regardless of how free you think you are, if you don't take control of your life, you are dead. One who is in mental slavery knows no more, or little more than what the **Tama'-Hu**, cursed albino seed, has written for public reading and spoken for public hearing, the Negro mentality knows no more or little more than what the **Tama'-Hu-aat** and/or their Negro helpers have taught. This is what I call synthetic education, which breeds a synthetic mind. This ties into the whole world of the **Tama'-Huaat**. They make movies to portray themselves as being something they are not. Yet the animation and graphics appear so real that you are convinced it is real and you believe it. This is done so that you will accept this kind of man as being superior, and if you are not like them, then of course you must be less or nothing. When, in actuality, you are the "Supreme Beings" called gods, who created them. You and your ancestors and descendants of Ancient **Tama-Re "Egipt"**, are the real Gods.

You don't have a mind of your own. You are out of your mind. You are in his mind. Your Preacher, Imam, is holding their translation or the scripture he is teaching you from, or relates you to their books to cheat me, your **Reformer Neter A'aferti Atum-Re, Amunnubi Raakhptah, Atum-Re**. So these preachers, teachers, imams are really enforcing the evil teachings, and the results of the ghost spell are negative and slave mentalities, full with physical slaves and captives that must be resurrected from this mental death. (REFER TO What is NUWAU-PU? SCROLL #42).

Ques: Will these scrolls really help?

Ans: Yes, if a person has a Negro, negative, or slave mentality, these scrolls will help him or her get rid of it, provided the person does not just read, but studies the scrolls and accept the facts therein and herein. Facts can be rejected, but they can't be disproved. Those of you who've survived the year **2000 A.D.**, the

showdown between **Qa'hat** "agreeable" and **Netchnetch** "disagreeable", will accept these facts and stick to them. The **Heka-Khasut** did not and will not teach others besides their own race. Any real knowledge about universal powers and forces would enable others to rule themselves. Moreover, other races are not going to give woolly-haired people, **Blacks, Egiptian Moors, real universal knowledge, and Black Magic**, because real spiritual and universal knowledge is where real ruling power is found and exercised. This is something they, **Pa Tama'-Hu ghost man** may have knowledge of, yet still cannot exercise this spiritual power on their own, without the help of self and kind. Let me add they have no power over you unless you, or one of self and kind, gives it to them; just as vampires can't come into your home unless you welcome them. Stop trusting them. The same Negroes "dead blacks" give them their power by worshipping their Gods, Allahs and their prophets, apostles, angels and image. This must stop for us to regain our own power again when we ruled ourselves in **Tama-Re "Egipt"**

Apophis' race of demons you all living by "white magic" and **Black** folks should live by "black magic"; but they don't. They all live by white magic, a spell of ghost "gospel", under the white Indo-Aryan Religions. If they had any real knowledge they would be exercising these principles now. Instead they use Blacks as "guinea pigs". They study your experiences and reactions and then go write a book about it as if they had knowledge of it themselves, when they do not.

Ques: Are we to adhere to any teachings of the Tama'-Hu man, being that we are not taught Right Knowledge?

Ans: Yes, no one can really teach you but self and kind. For the time being, it may be permissible for the **Tama'-Hu** man to teach occupational knowledge, jobs, and trades, along with computers, mathematics, works and subjects that no one can be deceived with. But not subjects like history "**his- story**", religion – Judaism, Christism, Muhammadism-, origins etc., because the **Tama'-Hu**

seed will not and sometimes cannot give others the facts about these subjects. The **Tama'-Hu** albino seed knows and teaches certain occupational jobs and trades according to present-day standards, and mathematics which is a universal science which speaks for itself; but what can they teach anyone about morals and the best way of life, when they are those who destroyed the real knowledge, morals and the best way of life by suppressing and murdering darker peoples, lying to divide others and creating ignorance, and stealing other people's lands, cultures, and natural resources, that are another people's heritage. The **Heka-Khasut "Hyksos"** act like they are real *Egiptians*. That is why they were called the *Jacobites* or *Yaqub's grafted devil*. *Jacob* means "supplanter". These same **Heka-Khasut** or *Canaanites* called *Amorites, Jebusites, etc.*, never did and never will give others true spiritual and universal knowledge, because much of it they do not know themselves. In secret lodges like *The Knights of Templar, Freemasons, Knights of Columbus, Rosicrusian, Astara, The Theosophical Society* and the likes, use small portions of our knowledge. What they do know is kept amongst themselves so that they may continue to rule the ignorant and the poor, in their Luciferian or Illuminati White Brotherhood, *Skull and Bones*.

Ques: Will education free us?

Ans: No! Occupational, professional, and technical knowledge is what **YOU** need and should have, but **YOU** need more than that in order to be free, and as gods gain and have ruling power. Occupational, vocational, professional, and technical knowledge are not sufficient to eliminate Negro, negative, and slave mentality. Negro or negative mentality (negative mind) is one which is void of real universal knowledge - knowledge about time and origin of universes, stars, planets, satellites; origin of oceans, mountains, vegetation; time and origin of races, cultures, and what each race is supposed to represent. *Negro* mentality is void of its own true spiritual science, and the powers, which maintain a race's spiritual science, are those that create a race's culture, make its history, and direct its way of life. Therefore, if a race does not have its own

true spiritual science, **The Black Sciences**, it is void of what is necessary to make it free and regain that God state of mind. In **Your** case, **NUWAU-PU** is **YOUR** true spiritual and universal science. It will make you God, **Supreme Beings** again and **9 Ether** utopia beings.

Ques: Who is our true teacher?

Ans: Your true teacher is one that can give **You** the universal knowledge that informs **You** about the governing codes and cycles of all existing and living beings, ones that can inform you of mankind's, *white magic*, spirit forces and the ones that are for or against you as a **man god** spirit force, **Black Magic** that is for you. They made Black magic sound evil because they fear it. You are Black and have miraculous powers when you learn how to use them again. Real universal knowledge must answer the knowledge questions: **When? Where? What? Who? How? Why? And nature of;** that is, whom a thing is for or against. **The Sun of Righteousness**, the writer of the scrolls entitled, "**The Right Knowledge Series**", a man-god Supreme Being, who foretells the future and it comes true, is qualified by the forces of nature, the **9-ether** forces that created and grew this planet. Through the **Black Science** of **Nuwaupu**, you will receive disclosed universal knowledge, unveiling the past, emphasizing the present, and a blueprint of the future.

What I, **Amunnubi Raakhptah** called **Atum-Re**, write is meant to destroy the barriers between woolly-haired, **Egyptian Moor**, **Black** people and their spiritual science and heritage in general. Universal forces cannot beneficially and effectively work for **You** and with **You**, as long as so many minds amongst **You** are so negative or in opposition to your own kind; and negative minds attract negative forces of *white magic*, and those negative or opposing forces destroy **You**, and cause **You** to destroy Yourself. Just like when the light is cut on it over powers the dark. Yet the dark still exists, but only a dark hand can cut on the light or it would not have been totally dark. Light has a beginning

light or it would not have been totally dark. Light has a beginning and an ending. Once you start working with the forces of 9-ether, meaning love of self and kind, these same forces will also begin to work with and for you.

This resource is available to all **Nuwaupians**, **Blacks**, who have abandoned the love of the image, mind, and body of the **Tama'-Huaat**. Only then will you be in your right state of mind **9-mind**. Once the love of all, other than self and kind has left you, then the forces of **9-ether** will help you and never abandon you. If you turn back to love of other than self and kind, it will leave you again. You need a positive mentality to offset the negative, then **You** will have the brain power necessary to identify yourselves with the universal forces of nature, **Tamunefuset, Ta Earth", Mu "Water" Nefu "Wind, Set "fire,"** forces of **9-ether** and they will help **You** to find or obtain liberty, godliness and justice. **Black is God. God is good. Black is good. Pa Neter "The Supreme Being"** called God was in blackness or darkness (**Amos 5:18**), when he said "**Let there be light.**" (**Genesis 1:3**) So, God dwelled in darkness, and dwells there now. Light is chaos.

When the **Tama'-Hu** meets someone who does not believe in their god, (that is, ghost) they call that person an **Atheist**. There are two kinds of spirits "**ghost**" and "**ether**". Therefore, if a person is not of *ghost*, that is "god", he or she must be of *ether*, hence, he or she is called atheist by the **Tama'-Hu** Ghost or Albino being. **A=against theist = Thehos** Greek for god or deity. **Atheists and Etherists** have the same original or etymological meaning, "*not god*" or "*not of god*" because, if one was originally created by an **Ether Black Man-God**, instead of ghost, spook, or spirit, that person by nature is not "Ghost" god and not of "Ghost" god. A person originally created by ghost can, and most likely will become of god, their white god; and created by god mentally during the cycle of their god, **Pa Ah "The Moon" Cycle**, which

end in the year 2000 A.D. The beginning letter of ether was "A" instead of "E", in ancient times, **Ather**.

Ques: What are cycles?

Ans: There are 4 cycles: 2 Ah "Moon" cycles and 2 Re "Sun" cycles, which consist of 6,000 years per cycle. The second moon cycle, which lasted 6,000 years has ended, 9-9-99 A.D. His last attempt at total control was 6-6-66 A.D., when he came up from the 6th chamber and he turned 13 in the year 1979 A.D. "The International Year of The Child" in flesh. Then in 1999 A.D. he became 33, completing his higher degree $3+3=6$. In Revelation Chapter 13, note age 13, which has 18 verses or 3×6 and is where you will find 666. (Refer to "The Spell of Leviathan, Kingu 666", scroll now!) Just before the end of each ruling cycle of nature, a male person is authorized and appointed by the female forces of nature to determine and disclose to the people especially those of his own kind, the hidden past, the changing present, and ruling future. 30 years before the end, that was 1970 A.D. until the year 2000 A.D., which is 6,000 years. I came up from the 9th chamber with the power to defeat the devil and his hosts and g-host.

Pa Ah "The Moon
Cycle was the 3rd phase of the evolutionary cycle which is 24,000 years. This continuous cycle of 24,000 years is broken up into 4 6,000 year periods, being 2 Re "Sun" cycles and 2 Ah "moon" cycles, has been occurring for 17 million 250 thousand years.

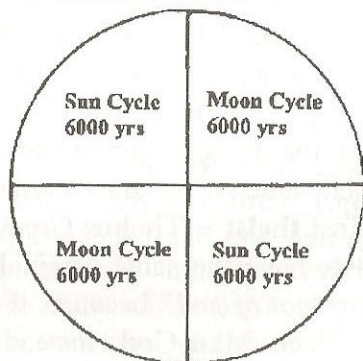

Diagram 2
24,000 year cycle

Therefore, since the end of Pa Ah "The Moon" cycle is also the end of the evolutionary cycle. The cycle of mankind and it is now the revolutionary cycle, which means an evolutionary reverse. It was necessary for the forces of nature to select from among the oppressed, a woolly-haired, **Egyptian Moor, Black** and qualify, authorize, and appoint him to manifest the knowledge and rule the beginning present שמש Shamash "sun", cycle of the outer world with Afsu. This is not to be confused with the sun of the inner world. **RE** found as **Shemesh** in the Hebrew language is called "The Sun of Righteousness" in Malachi 4:2 **Atum-Re or Ra**.

Malachi 4:2

Modern Hebrew Script

2 וְזָרְחָה לָכֶם יְרֵאִי שְׁמִי שֶׁמֶשׁ צִדְקָה

BUT UNTO YOU THAT FEAR יְרֵא <YARE> MY NAME שְׁמִי
<SHEM> SHALL THE SUN שֶׁמֶשׁ <SHEMESH> OF
RIGHTEOUSNESS צִדְקָה <TS@DAQAH> ARISE זָרַח

AND GROW UP פֹּשׁ <PUWSH> AS CALVES עֵגֶל <EGEL> OF
THE STALL מִרְבֶּק <MARBEQ>.

But as for you who fear out of reverence my name. The **Shehmesh** (sun) of **Zodoq** (justice) will come forth with healing in his corners of his garments and you shall go forth and spread as the calves of the stall.

Right Translation in Aramic (Hebrew) By:

Neter A'aferti Atum-Re

Mistranslation From King James 1611 A.D.

"BUT UNTO YOU THAT FEAR MY NAME SHALL THE SUN OF RIGHTEOUSNESS ARISE WITH HEALING IN HIS WINGS; AND YOU SHALL GO FORTH, AND GROW UP AS CALVES OF THE STALL."

Now look at this. "**Righteousness**" is "**Tsed-aw-qaw**" (**zodoq**), found in the book of **Malachi**. **Malachi-Zodoq** the messenger of **Revelation 1:1**, **Malachi Zodoq York**. The "**Angel-os**" angel is "**messenger**", and in **Malachi 4:5**, **Elijah** which is short for an "**Eloheem of Yahuwa**", is an Angelic being who will prophesy to you before the end. **Elijah** has come and gone. (**REFER TO THE SCROLL OF MALACHI, SCROLL #111**).

Just as there are forces that can foretell the future, there are also forces that can tell you about the past, and **Atum-Re**, also called **Murdok** in **Babylonian text** and **Amar-Utu** in ancient **Sumerian Tablets**, the son of **ENQI**, who is the son of **ANU**, your **ALLAH, EL Eloh, JEHOVAH or GOD**, has access to all forces necessary to retrace the past and foretell the future. This fact made these scrolls possible. You can acquire more information on this subject by joining "**The Ancient Egyptian Order, A.E.O.**" a **Higher Degree**, of "**The Ancient Mystic Order of Melchisedek, A.M.O.M.**". One authorized and appointed by the forces of nature is given connection and access to the powers of **Pa Re "The Sun"**, and **Pa Ab "The Moon"** and powers of **Pa Ta "The planet Earth"**, that he may take his place in the sun, meaning, in universal affairs, and all of his kind who are able to learn, understand and accept universal knowledge and facts as disclosed by **9-ether** will also be given the same connections and powers for realization and maintenance of liberty, justice, equality, rightness, and survival beyond **2000** onto **2003** onto **2030 A.D.**, which is the **Order of Ma'at**. **The Principles of Ma'at** is the internal struggle for balancement of your nature commonly called the **Yin and Yang**, or considered **Tobe and Rah** or simply **Qa'hat "Agreeable"** and Netchnetch "**Disagreeable**" and in Ancient **Tama-Re "Egipt"** called **Ma'at "Order"** And **Isfet "Disorder"**

The war or the showdown between right and wrong, that occurs in each individual. It is not, a physical battle. It's a struggle with the heart that is weighed against the feather of **Ma'at**, who is also the **Netert "Supreme Being"** of **Order**. Your heart or deeds are weighed against the principles of **Ma'at**, which determines where your soul will go after judgment.

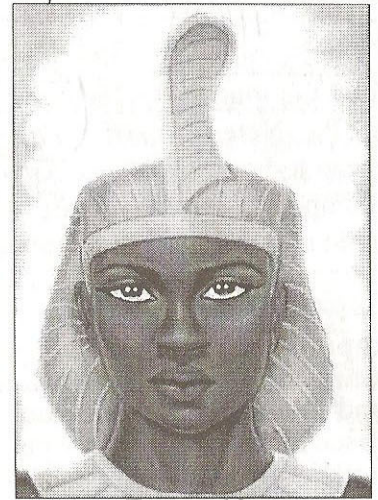

Figure 13
Netert "Supreme Being Ma'at"
Daughter of Re

Figure 14
Judgment of the Soul
"Weighing of the heart against the feather of Ma'at"

After judgment the journey your soul takes can be to continue the journey on to Sahu "Orion", which is called heaven, where Pa Neter Asaru "The Deity Osiris" presides, or be sentenced to be devoured by Amam Ammit, The Devourer. She is a composite creature made up of a lion, hippopotamus, and crocodile and she sits in the Hall of Judgment.

I, as your Supreme Grand Hierophant, Amunnubi Raakhptah am able to distinguish between that which is for Egyptian Moors, Blacks, Nuwaupians and that which is against him and her. Ghost "white god", the spirit of the ghost "whites" the cursed albino seed, represents death for Nuwaupians "Blacks" and is thereby against Nuwaupians, Blacks, Egyptian Moors. 9-ether, the spirit of blacks, represents life; and of course, life and death are opposites, just as Blacks and whites are opposites. 6-ether is 9-ether in death and yet and still at its death, returns to 9-ether, being the "alpha and the omega". 9-ether can produce ghost but ghost can not produce 9-ether.

The purpose of anything and everything written in these scrolls is to help destroy the Negro and negative, slave mentality. So that Nuwaupians, Blacks, woolly-haired people everywhere may have, and exercise free mind and **God** mind and thereby enjoy freedom and equality; if a person has an free mind, he will do free things and if a person has an equal mind, he will do equal things. Scrolls like the "**Right Knowledge Series**" are designed to open the way to a spiritual and mental revolution, because there can be no change in racial status for Nuwaupians, Blacks as a whole without first having change in mental powers and spiritual forces. The same old spirit forces and same old minds will maintain the same old system. Although the ways and means of maintaining the old system may change, it will be the same old system, as long as the same old minds and the same old spirits prevail, the same old system is the nature of them.

A change in mental status by **The Right Knowledge, The Right Wisdom, and The Right Overstanding** which leads to **Sound Right Reasoning**, brings change in the spiritual status,

because ignorance in the mind is destroyed. Then the spirit forces of ignorance, *white magic*, that maintain ignorance will have nothing to live on they die, scatter, or become sealed in **Pa Ta "The Earth"**.

When the mind receives **Right Knowledge** and accepts it, the mind defends itself by fighting against the forces of ignorance (its enemy), and when the right side of the mind defeats the weaker side, the person becomes free and a **god-man** as sufficient effort is made and no longer *god-damned*. The result of cruel suppression of the mind and the accumulation of gross ignorance is the state of miserable conditions where the *slave* and slave master or *captive* and *captor* pray to the same god and the **Black** man becomes damned. Since the slave master is an enemy of the slave, if the slave prays to the same white-skinned ghost or spook god as the master, he is praying to the god that enabled the slave master to enslave the captive; the enemy of the slave or captive just as the slave master is. The *one-god* doctrine, that the slave master indoctrinated the slave with, is really worship of himself and his "white" image and a part of the spell of 6,000 years ago brought on by **ENQI, Sutukh and Zuen Apophis**; all the **Neteraat "Supreme Beings"** were condensed into one called "**god**" with a capital "G". (Refer to "**GOD, God, god, What is the Difference?**" Scroll #66):

This name **G.O.D.** is from

G = Gomer

O = Oz

D = Dabar; which is:

Ja = Jehovah (Yahuwa)

Bal = Baal

On = On (Aum); which is: **Jabalun** another word based on three deities that is used for god by the freemasons.

These gods were placed in your Bible, which was also fabricated. For instance **Jah**, which is a shortened form of **Jehovah**, can be found in **Psalm 68:4**.

master. There are many gods, but only one **Neteru "Supreme"** of
ancient **Tama-Re "Egipt"**, called **Alyun Alyun EL "The Most
High" Re "Ra"**. Even **Anu** means "*The Heavenly One*", and
that being is infinite-omnipotent in nature and has innumerable
powers and parts. The one Supreme being is in every **Nuwaupian**,
Black person called **Eloheem** in the Bible *Exodus 7:1* where even
Moses is called an **Eloheem "a God"**; in every place, heaven;
and in every thing, nature - *finite* and *infinite*, visible (body) and
invisible (cells) which is all within **Pa Temt-Ta "The All"**.

The powers and forces of **NUWAU-PU** are liberation and
salvation for **Egyptian Moors, Blacks**, and woolly-haired people
everywhere. Liberation is mental and physical separation from
opposing forces, and salvation is keeping opposing forces away
from woolly-haired people after they have been liberated.
Therefore, salvation comes after liberation and is the maintenance
and perpetration of liberty, justice, equality, and rightness. Like
the other scrolls, this scroll helps to open the prison gate that has
your minds locked in, and as the gate of mental confinement
opens, ignorance will flee, and **The Right Knowledge, The Right
Wisdom and The Right Overstanding** will become the keeper of
your minds. **The Right Knowledge, The Right Wisdom and The
Right Overstanding** are **NUWAU-PU**, and **NUWAU-PU** is the
spiritual science of all woolly-haired **Nuwaupian, Black**, people
throughout the universes, which gives you soul and makes you
soul people. These are **The Black Sciences** and **Black Magic** that
has worked for us. Knowledge and formulas that created the
pyramids and the great civilizations of ancient **Tama-Re "Egipt"**
were built. These are the wonders of the world that the **Pa Tama'-
Huaat** have still not figured out today.

The scrolls called **The Right Knowledge Series** are not the science, **NUWAU-PU** itself, but is the diligent reading and diligent study and profound overstanding of these scrolls that will open the mind, tear down barriers, and qualify the mind for the universal science called **NUWAU-PU**, as taught by *The Ancient Egiptian Order, A.E.O.*

You, the reader, will overstand these scrolls better if he or she remembers that **Amam**, *The Spell of Leviathan*, comes in all forms such as: a sun god, an earth god, and a moon god for the **Tama'-huaat** all straight-haired peoples. **Amam "Leviathan"** can manifest itself as the sun god, for them it's fire worship. So many of them worship on Sunday and worship the sun, as a great ball of fire, a destructive force. Notice how they lay on the beaches, but the sun is not their friend. Why else do they need to cover up, while laying, under the sun? If they do not cover up, they will die from skin cancer, **melanoma** that develops from the lack of pigment, melanin in their skin.

Amam, *Leviathan* can also manifest itself as God their father "Our father who art in heaven", in the **Draco Star Constellation** (Dragon) at one time; the *earth god*, god their son *Jesus*, at another time, and the moon god, their mother of god *Mary*, or *Dina* at still another time, or it can manifest itself as a combination of two or all three at the same time calling it the trinity, from the Egiptian Triad of deities, *The father Asaru "Osiris"*, the son **Haru "horus"** and the *Holy Ghost Khonsu* and with all 4, the blessed mother, **Aset "Isis"**, is really a **Quadity**. (Refer to the scroll, *Jesus found in Egipt*.)

The group called "Adam" 6,000 years ago was an incarnation of the Earth god, known as **Jehovah**, **Dagon**, the **Mesopotamian god of vegetation**, who was half man and half fish; also known as **Jesus**, **Zeus**, **Lord**, **Baal**, etc. by whatever name, this **Adam** is really **Canaan** of your Bible found in **Genesis 9:25**, who is the son of **Ham** who dates back to **4,004 B.C.** years ago.

Canaan Kena'an כנעאן meaning "**Low Lander**", is the father of the Canaanites. **Libana** was his name from where **Lebannon**, **Phoenician "Land of palm trees"** comes, or the land of **Nod**. That's why they always say that **Canaan "Adam"** **Genesis 10:6** was created only **4,000** years ago. Yes, there was more than one "Adam" in your Bible.

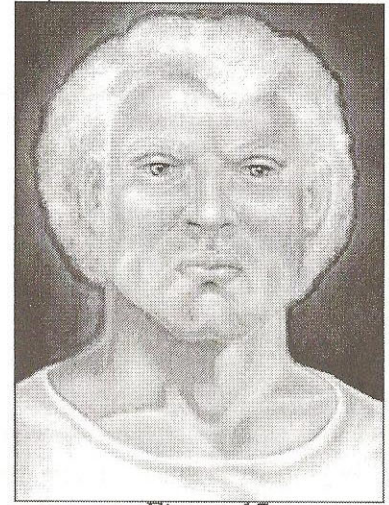

Figure 17
The Albino "Adam"
Canaan, Libana
son of Ham and Haliyma

The first Adam is mentioned in **Genesis 1:26**. The word for man, in **Genesis 1:26** is **Adam**. Adam is not one person, but a group or tribe, "**created he them**". The second Adam found in **Genesis 1:27** says "**males and females**". This Adam was actually the **Hindus**. The third Adam is in **Genesis 2:7** speaks of Man being created from the "**dust of the ground**" when god breathed into the nostrils of man. The fourth "Adam" was from **Genesis 9:18** and **Genesis 10:6**. They are really talking about the birth of **Canaan**, the 4th son of **Ham**, son of **Noah**. So, again when the white race refers to Adam as being of their race they are talking about their Adam, who was **Red** and **Ruddy** as in **Edom**. This is not Esau, who many say was red, which is in reference to a pot of red lentils. **Genesis 25:30**.

In the Jehovah Witness publication entitled "**All Scriptures are inspired of God and Beneficial**" on page 292, they list the birth date of Adam "**Canaan**" as being in the year **4004 B.C.** So Canaan is their Adam and **Libana** means "white" like milk, so to them the Devil is God. Moreover, **Amam "Leviathan"** is god at

one time and the *devil* at another time or both at the same time to them. They say "O my god" and "God damn" at the same time.

Of course, this means that **Amam "Leviathan"** is very powerful and very deceptive. In fact, **Amam "Leviathan"** are the forces of trickery, the source of tricknology, deception, and hypocrisy. He is a flat out liar. **Amam "Leviathan"** is also a strong sex force that has control over all that submit to the *luster* or *lust* of what is offered. Lust is not only in reference to the sexual aspect, but is also demonstrated by the very fact that you want everything you see. The "*luster*" or "*glimmer*" of gold is what attracts you. It is something natural, and taps into your innocence; for even a child if given a choice between a shiny penny and a million dollar bill, the child will go for the glitter of the shiny coin. The allure something has, is what attracts you to it. It happened with **Nekaybaw "Eve"** in the garden. The allure of having something "*pleasant to the eye*" (attractive, allure) and "*good for food*" and being promised to be wise like God **Genesis 3:6** made her accept the offer of the **Remusyan "Reptilian"** in the enclosed Garden of Delight. There are all forms of seduction, which is one of the attributes in the "Devil's web" and is out there for you. You had all he offered to you. You had your own mind in the **Black Mind** as a **Tama-Reye "Egyptian"**, knowing who you are, what you are, where you are, and why you are. All this is yours again in the Egyptian way of life, **Nuwaupu**; but, not as you are now, wanting what he has and which he will never share with you.

Amam "Leviathan" is 6-ether that is spirit fire, amber light also referred to as smokeless fire found in **Qur'an "Koran"** 55:15 of *Muhammadism* and the lesser light of the Torah, Bible of Mosesism and Christism **Genesis 1:16** that produces ghost, not light. If the reader overstand this paragraph, he or she can overstand the **Bible**, **Qur'an "Koran"** and the pamphlets called "**Right Knowledge**". In this scroll, there may be repetition, but it

is needed for clarity and emphasis. **Qur'an "Koran"** says how the people seek to blow out the light of the Muhammadan deity *Allah*, from 1400 years ago. **Qur'an "Koran"** 61:8... *their intention is to extinguish Allah's light (by blowing) with their mouths...*."

That light would be fire. What other light would you be able to blow out with your mouth? There were no electric lights 1400 years ago. So the **Qur'an "Koran"** 61:8 admits *Allah* is fire, and the Bible in **1 John 1:5** "... *God is light and in him you find no darkness at all*" it also admits their *God* is fire. They will try to say by light we mean knowledge. But how could anyone or anything put out God's, Allah's, knowledge?

Ques: What is a real Nuwaupian or Egiptian Moor?

Ans: When I use the name Nubians and or, Blacks, I do not mean only a woolly-haired person born in the small territory in Africa called **Nubia**, **Ethiopia** today. I mean a woolly-haired **Black** person born anywhere in the universe. The root of the word "**Ethiopian**" is "**ether**". In middle English it means "*upper air*" or from Latin *Aether* and Greek *Aither*. **Ghost** is lower and ether is upper or the highest, **Anu** or **On**. It's all about breath, and breathing **khayyeem** (חַיִּים) with **2 yods** (") as found in the Torah or Bible in the Hebrew, **Genesis 2:7** as *neshawmah khayyeem* which is **Ether, divine spirit, forever** and **khay** (חַי) "**life**" in **Genesis 2:8** as **nephesh** (נֶפֶשׁ) (**khay** with one yod (")) which is for **ghost**. Ether is the creative power that the sun and other true stars produce and emanate.

When the planet was forming and was in a state of desolation or void and darkness, there were forces that were on this planet **Jeremiah 4:23**. These forces were 9-ether. These black forces, created life in the water first. Hydrocarbons were present in these waters. Hydrocarbon is simple methane or benzene gas

that only contains hydrogen and carbon. Hydro-carbon from, hudor means “we” or “water” and carbon from carbo, charcoal means “black”. So these black gases of **9-ether** are the celestial origin of all Ethiopians, Blacks. Being behind the **Nine Ball** or the 9 known planets of this new solar system. We as **Etherians** were trapped within the Earth’s atmosphere, because we breathe in bad air, until the year 2000, which is 6,000 years, the end of **Apophis’s Rule**.” You are 9-Ether beings behind the **9-Ball**, who are called Blacks and all the Nuwaupians are from the original Nuwbuns born black as coal. For 9-ether is the power that produced the Pygmy, the Kishites/Kushites also known as Zulu or Lulu, the ancestral tree of all woolly-haired people who were pre-dynastic Tama-Re “Egipt”.

Accordingly, Greek philosopher, such as Diodorus states how the Ethiopians are Egyptians and I quote: “and upon his return to Greece, they gathered around and asked, tell us about this great land of the blacks called Ethiopia.” And Herodotus said, there are two great Ethiopian nations, one in Sind (India) and the other in Egypt.”

And even the God of the Bible is from Egypt as found in Hosea 12:9: “... and I am that Lord God from the land of Egypt...”

At one time, all Africa and the nearby surrounding lands, before the parting of Africa from Asia and other territories, were called “Ethiopia” or Ether-Utopia (Genesis 2:13). Kuwsh, called Kish in pre-Bible time, is now El Habasha and the Atlantic Ocean was called the Ethiopian ocean.

There is only one ocean and many land masses. Before the separation of the land due to explosions and continental drift the masses were all one, called Ganawa.

Figure 18
Atlantic Ocean once the Ethiopian Ocean

Therefore, there are two **Kuwsh** (Cush). The **Kuwsh** (Cush) mentioned in **Genesis 10:6 Kuwsh**, son of Ham, came many years after the **Kuwsh** in **Genesis 2:13**, which translates as “**Ethiopian**” which is a name that gives woolly-haired people their celestial origin, terrestrial origin, and ancestral origin. Hence, **Ethiopian Utopia** was the best all around name identification for mentally resurrected woolly-haired people, until **NUWAU-PU**, by the power of 9-ether, gave YOU **Blacks**, your new-cycle name, **Nuwaupians**, **NEW-BEINGS**.

Ques: From the ending of the Old Testament (Malachi), to the beginning of the New Testament (Matthew), why is there a time span of three or four hundred years?

Ans: Pa Tama-Reyeaat "The Egiptians" Blacks, Pa Heka-Khasut, Israelites, Gews, Grews Greeks had a war around 1600 B.C. And Pa Tama-Reye "The Egiptians", lead by Moses, or Thutmose I according to the *Egyptian Mysteries* that is, the A'aferti "Pharaoh" Thutmose I, defeated the Greeks (Grews, Jews from Javan Yawan in Hebrew) under the command of A'aferti "Pharaoh" Ahmose and A'aferti "Pharaoh" Kamose whose names are from Mose. Mosheh in Hebrew and Musa in Arabic, Mose in Egiptian meaning "child". A'aferti "Pharaoh" Ahmose and A'aferti "Pharaoh" Kamose returned them, Pa Heka Khasut - Captive Shephards, Captives of Kings, or "Chieftan of Foreign Lands," back across "the burning sands" on up in to the caves of Asia "Caucas-asian" with great control until around 600 or 700 B.C., then its rule began to weaken and the Heka Khasut began to gain strength. Their moon God, Yahweh as found in *Isaiah 43:3* gave ancient Tama-Re "Egipt" to us as a kopher (כפר) ransom.

Right Translation in Aramic (Hebrew) By:

Neter: A'aferti Atum-Re

Mistranslation for King James 1611 A.D.

"FOR I AM THE LORD THY GOD THE HOLY ONE OF ISRAEL,
THY SAVIOR: I GAVE EGYPT FOR THY RANSOM, ETHIOPIA
AND SEBA FOR THEE."

Notice how this quote is making reference to Ethiopia and Seba as Egiptians. The word used for Ethiopia again is Kuwsh and Seba is the first son of Cush "Kuwsh as found in *Genesis 10:7* which again shows the Ancient Egiptians are the same as Ethiopians.

By 200 or 300 B.C. the Tama'-Huaat had control of Tama-Reye "Egiptian" territory including Tama-Re "Egipt" itself, and they started suppressing the Tama-Reye "Egiptian" culture, which was called by them pantheism, and persecuting those who maintained it. "Pantheism" is the study of "EL" or the Elul "The Creator of Mother" as nature, and working through Mother Nature. Nature is Neter "god". The forces of nature are Mother Nature, which controls birth of everything. So any new idea of existence must pass through mother nature's permission first, to get to this realm or manifest, as in man-infesting the planet. Mother nature brings man about, and she also created the god-man or "good man".

Pan-Theos, Pan is Hérmes, that's Tehuti or Thoth of Tama-Re "Egipt" and there is Tawaret "Theoris" goddess of women and childbirth in Tama-Re "Egipt", from the book "Comprehensive Dictionary of the Gods" by Anne S. Baumgartner. So true pantheism is from ancient Tama-Re "Egipt". It is your ancient way of life. Pantheism, the secret

wisdom of Tehuti "**Thoth**" or **Hermes** is just a word, and a poor one at that, for "*being in tune with nature*". It was the religion of **Adam** and **Abraham** and the **Ancient Phoenicians**, of **Nod** or **Lebanon**, "**Libana**" also taken from **Egipt**.

The **Tama'-Hu** suppressed the **Tama-Reye "Egiptian"** culture by taking certain books out of circulation, burning others, forbidding the adherents followers to practice it, and killing off the **Tama-Reye Waabaat "Egiptian Priests"** and prophets (**Matthew 23:35**) who protested and resisted. **Zachariah, Tama-Reyeun Waab "An Egiptian Priest"** of high rank was murdered before the end of that suppression.

The so-called killing of **Jesus** of 2000 years ago was supposed to end **pantheism**. The **Tama'-Hu** thought by killing **Yashu'a "Savior"**, who is equivalent to **Tut Ankh Atun "King Tut"** of **Tama-Re "Egipt"**, who was sent to find and save the **Lost Tribe of Judah**. **Apophis** thought that by eliminating this savior, they would cut off the link of the **Ethiopian**, people called **Kuwshites** or **Nubians** in **Aswan**,

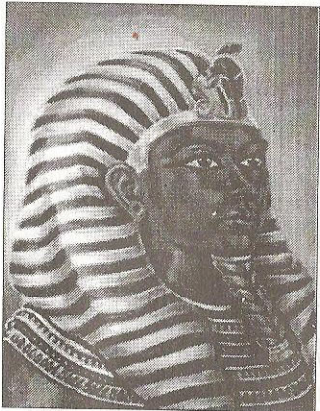

Figure 19
Tut Ankh Atun
son of **Ankh Atun** and **Kiya**

or **Yahuda** from **Huda**, **Haadi**, **Al Mahdiyya Habiru** Hebrews, or **Aksum (Axum)**, **Ethiopia**, **Ether-Utopia**; However, as the forces of nature protected them, these people were in **Egipt** as the **Biga** or **Hadendawa** in **Sudan**, as the **Mahidiyya** living in **Dongola**, **Nubia**. They were also the remainders of the pure seed of the real **Israelites**.

Many refer to **Ethiopia** as the kingdom of **Meroe** and **Napata**, but actually the official name is **Kuwsh**. So-called scholars who were trying to hide the fact that these are all the same people use various names. The **Pa Tama'-Hu** man's motto has been "*divide and conquer*" since the beginning of time. When you kill off a person, you kill off his whole race. That is what he refers to as genocide **Gene-Ocide**. Remember the whole family lives on through pro-creation.

Figure 20

The Goat God – Pan

Therefore, they called the death of **Jesus**, the death of the God **Pan** (also called **Faunus**. **Pan** is the goat god; and is celebrated **December 25th** as the birthday of **Jesus** every year because **pan** (Capricorn of the Zodiac) is re-born every December around that time, and the goat is used in **Satan** worship.

That's why both **Jesus** and **Lucifer** are called "*The bright morning star* **Isaiah 14:12** for **Lucifer**, **The Devil**, as the son of the morning." and **Revelation 22:16** "*I Jesus have sent my angels...I am the root of David and the bright and morning star.*" For the son of God, **Jesus Ja-Zeus**, was considered to be **Capricorn**, the scapegoat found as **Azazl** in **Leviticus 10:26**, and **16:8**.

The name of the man called **Jesus** was **Issa** in the **Qur'an "Koran"**. This same person was known as **Saint Isa** in **Kishmir India**, **Issa Panthera** or **Yashu'a**, of the **Torah** or **Cleophas** (Refer to **The Real Jesus**, **Scroll #34**). "**Panthera**" is a word which refers to **The Great Sphinx at Giza, Egypt**, the big cat, holistic cat, or **Catholic**; the first Roman branch of Christism or the **Lion of Judah**, with the Astrological Sign, **Leo**.

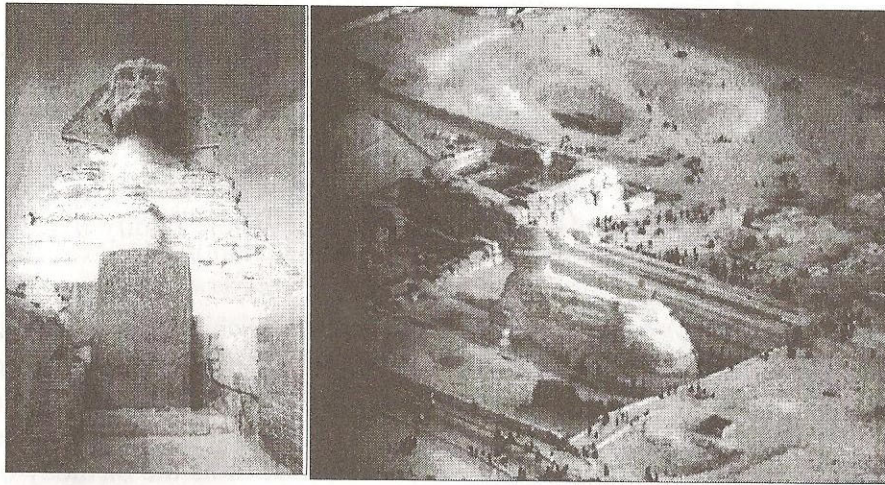

Figure 21a/b

Pa Ruwty
"The Sphinx"

This also refers to the religion of Adam, which was pantheism also, for Adam was the first Christ: *1 Corinthians 15:22 For as in Adam all die even so in Christ shall all be made alive.* *1 Corinthians 15:45 and as it is written, the first man Adam was made a living soul; the last Adam was made a quickening spirit.* *Qur'an "Koran" 3:59.*

ADAM: HE CREATED HIM FROM DUST, THEN SAID TO HIM:

Ques: Who were the physical father and mother of Jesus, Issa
Panthera, where was he killed and what happened to his body?

Ans: First, things first, there was more than one Jesus. Let's deal
with them one by one. Cleophas, which means "my exchanges".
In other words, exchange one Jesus for another, who is also called
Jesus-Justus, *Colossians 4:11* and Saint Isa, was the son of
Cleopatra and Mark Anthony (Marcus Antonius).

This Jesus was born December 25, 1 A.D. He was not
accepted by the Tama-Reyeaat "Egiptians" nor by the Pa
Tama'-Hu Romans because of his mixed blood. And because of
this, Cleophas became very vexed; he became an evangelist, that
is a messenger, and set out to teach the Phoenicians that he was
their "king" as in "King of the Jews". *Matthew 2:2* He traveled
mostly in India and studied there in the mystery schools.

The Hindu Avatar Krishna
An incarnation of Vishnu

There is reference made about him as **St. Issa** in the **Upanishads**, the **Hindu tablets** as an **Avatara**, an incarnation of god in flesh or god in the personage of **Christ**, which tells about the god, who came to Earth. They were hermaphrodites in appearance, even part animal covered in fur.

These Hindu tablets called the **Upanishads** were recorded thousands of Years before those of **Matthew, Mark, Luke and John**; yet, they have a **Krishna** or **Christ** that was Crucified long before the Bible and Koran were created.

Excerpts from the Upanishads are shown below:

These avatars such as Visnu took on the form of a fish when the earth was overwhelmed by a universal flood. The fish legend first appeared in Brahmanas (the impersonal world soul) and the Noah's ark theme.

The tortoise (Kurma) Visnu became a great tortoise, and dived to the bottom of the cosmic ocean to reclaim the many divine treasures that were lost in the flood including the Ambrosia (Amrta, the food sometimes the drink of the gods in

Greek mythology) with which Gods preserve their youth.

A demon, Hiranyaksa, cast the earth once more into the depth of the cosmic ocean. Visnu took the form of an enormous boar, killed the demon, and raised the earth on his tusk.

Another demon, Hiraanyakasipu, had obtained a boon (blessing) from Brahma ensuring that he could not be killed by any man or beast. Safeguarded he persecuted all including his son. Prahlada (his son) called on Visnu for help. Visnu burst from a pillar of the demons' palace in the form of a half man and half lion and slew Hiraanyakasipu.

A demon named Bali gained control over the world and commenced a course of asceticism (self denying) by which his supernatural power so increased that he menaced even the gods. Visnu appeared before him as a dwarf asking for a blessing of two strides when granted the god became a giant and the two strides covered the earth, heavens and middle air.

There was also a group of hairy beings who came down to the planet earth from the **6th** star constellation **Septu** "Sirius" which is located just below Orion, who they were known as the shaggy people or the Shaggies, who are dog people from the dog star, **Sirius**.

So they love the dog like one of their own family members – and will eat, sleep, and kiss them on the mouth. One of the shaggy people was called **ENKIDU**, the ruler of the ancient Babylonian city of **Uruk**, the Bible **Erech** "long" **Genesis 10:10** northeast of **Ur** of Chaldaea toward **Babylon**. He was the friend of **GILGAMESH**, who was **2/3 ELOHEEM & 1/3 HUMAN**. You can find his descendants in Afghanistan today.

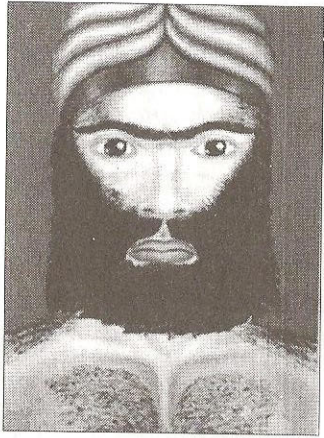

Figure 22

Enkidu, Shaggy Being

The **Seirian, Shaggies** were covered with hair all over their bodies and stood 7 to 9 feet tall. Today it's called a *sasquatch*, a *yeti*, or a *big foot*. The disease is called **hirsutism**. You can go to any pool or beach today and see **Pa Tama'-Hu** the Europeans are descendants from this race of hairy beings with hair all over their bodies with connecting eyebrows.

There is also hair all over their back and even their shoulders. They came to **Ta "Earth"** from their planet for the sport of hunting dinosaurs, killing just for sport and fun. It's their nature to kill and the **Tama'-Hu** man is still the only race that hunts and kills for sport and fun.

However, when they came, they were captured and used as slaves, by the **ELOHEEM** or **NETERU** in **Ancient Tama-Re "Egipt"**. The Shaggies were too aggressive to be workers for the **ELOHEEM: ENQI, NINTI, NERGAL** "ruler of the underworld", and his wife **ARISKERGAL**, who were the children of **ANU**, "He who is above, The Heavenly One" the **YAHUWA** of the **ELOHEEM** or **YAHWEHANS** of the 9 -**ETHER** or **NEW BEINGS**.

You have the agreeable **Yahweh** and the disagreeable **Yahweh** or **Neteraat**, Anunnaqi, who were scientists as well as astrologers. These aggressive shaggy beings were cross -bred with a docile, yet civilized tribe of beings who evolved from the algae of the water and were called **Ptahites**; also known as the **Pygmies**,

the little people, **Zulu, Lulu** and the **Kishites/Kushites**. The product of this combination was the **Homo Erectus**.

These beings were not able to pro-create by themselves, so the scientists mixed in the blood of the **Eloheem** called **Shiru**. One of the scientists in particular named **Ninti**, the sister of **Enlil** and **Enqi**, took her blood along with the blood of the **Homo Erectus** and bred the **Homo Sapien**.

Cleophas son of
Cleopatra and Mark Anthony

As previously stated, the mother of **Jesus Cleophas**, **Jesus-Justus** was a Black Phoenician woman of **Nod, Lebanon, Urat "Female Ruler"** named **Cleopatra** of **Tama-Re "Egipt"** who had children, but was unmarried. This fact made it easier for the **Tama'-Huaat** to state that this **Jesus** had no human father.

Yet, the physical father of this **Jesus** was a high-ranking Roman soldier, a general, named **Mark Anthony** of the Ghost Race, the white race, as previously said, who was one of the Roman Triumvir, which is a three person ruling body.

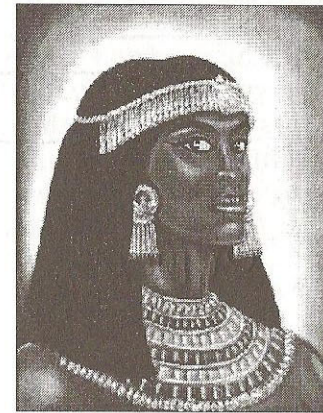

Figure 29

An Ether Person

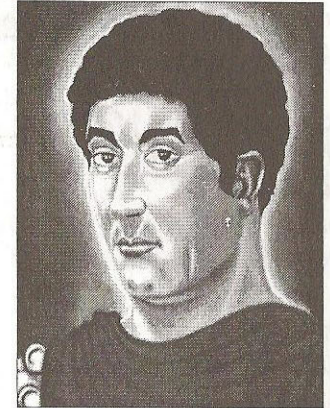

Figure 30
Mark Anthony
father of Cleophas
A Ghost Person

The mother of **Jesus Justus** was **Cleopatra Uratun "a Female Ruler"** of **Tama-Re "Egipt"**, a well-known notorious person, even today and his father was **Marcus Antonius**, better known as **Mark Anthony**. **Mark Anthony** was a warmonger. **Cleopatra** was also responsible for lifting the ban and reopening the land of **Egipt** up to foreign people.

All the **Tama'-Huaat** are personifications of ghosts, because they were bleached or "**ghostized**" as albinos by the curse of **Canaan Genesis 9:25** or mixing with his seed **Genesis 28:6**, by **Amam "Leviathan"** using the ghost process when they were being extracted from the original **Black** Phoenicians in the land of **Nod "wandering"** where, **Noah's** family lived as found in **Genesis 4:15**.

Therefore, **Mark Anthony**, being **Tama'-Hu** as a ghost or as pale as a ghost as they say, was a ghost in person and being noble made him a holy ghost in Rome, a noble Spirit. Hence, when

he impregnated **Cleopatra**, the ghost had overshadowed **Cleopatra** “**Mary**” as in the tale of **Matthew 1:18,20**.

When the Bible speaks of a Holy Ghost, most of you have the impression that it is referring to an angel or the angel Gabriel, when it has to do with breathing. When you are no longer breathing you are dead. The point of death is when ether is ghost. So when they say “he gave up the ghost” **John 19:30**, they are talking about the breath of life that was breathed into the lungs of man by the Eloheem, and so man was made a living soul as it says in **Genesis 2:7** “And the Lord formed man of the dust of the ground, and breathed into his nostrils the breath of life, and man became a living soul.”

Right Translation in Aramic (Hebrew) By:

Neter: A'aferti Atum-Re

Mistranslation for King James 1611 A.D.

AND THE LORD GOD FORMED MAN OF THE DUST OF THE GROUND, AND BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE; AND MAN BECAME A LIVING SOUL.

In the Hebrew, the word for living soul or divine breath, is **neshawmaw** נֶשְׁמָה. When Adam was originally born as a **nefesh** נֶפֶשׁ חַי “living soul” with one yod (י), he was given the **neshawmaw khayyeem** נֶשְׁמָה חַיִּים “breath of life” with 2 yods (יי), that was blown in his nostrils, as stated earlier.

When you look up the word for breath in the New Testament, **Matthew 1:18**, you will see **pneuma** meaning “breath wind or spirit” and when you look up this same word **pneuma** in the **American Heritage Dictionary**, you will see “soul or vital spirit”. This root word is found in the word **pneumonia**, which originated from an alteration in the word **pleumonia**, from **pleumon**, which means **lung**. Compare this word with the word **pneumonia**, which is a chronic disease marked by the inflammation of the lung, and caused viruses etc. Your lungs are used to breathe in air or breath, and without oxygen you would die or – become as a ghost dead.

The word **ghost** can be found in **Genesis 25:8** in the Bible as **Gaw-wah** גוה. Notice how close the spelling of the word **Yahweh** יְהוָה and **gaw-wah** גוה are. This is where **god** came from as in the “**ghost god**”, they worship and have so many of you worshipping also.

The word **ghost** comes from middle English **gost**, from old English **gost**, **breath**, **spirit**. They worship this **divine force** because they cannot and do not have it. You as Ether People have this **divine breath**, **the breath of life**, **the soul and spirit 2 yods**. They only have a spirit, one yod. The Neter “**Supreme Being**” is

inside of you. They have you looking for “god” outside of you, while they are worshipping the god in you all of the time. They are absorbing from you, as much of that “breath”, your life giving ether, your essence, as they can. That’s why they claim to hate you, as *ether* people so much, yet like to put their hands on you. Have you ever noticed how a “ghost” person breathes different than an *Ether* person? Did you notice how they breathe in your breath as you breathe out? Again trying to get that divine breath that they are not entitled to.

We are at the end of the evolutionary cycle where the **ghost people, Pa Tuta** were supposed to be civilized. It is something that cannot be done. The scientists and the Eloheem, have tried to civilize this being and have realized these *ghost people* are “uncivilizable”. With this, the evolutionary cycle is thrown in reverse and now a revolutionary cycle will start for us as *Ether* people.

It is important that you people break the spell of **Aman “Leviathan”** that has been on us for so many years. These stories you find in Christianity and in your *Bible* and *Koran* are found in Ancient **Tama-Re “Egipt”**. The story is repeated and replaced in different cultures. The names are changed, but the root or theme of the story stays the same. You can wake from this spell, but you must make that decision within yourself. This *Right Knowledge Series*, along with many others, will help you break this spell. You must understand that Caucasian history is mixed up, falsely and ironically written to hide facts, mislead, and deceive. Although, the Phoenicians meaning “*purple*” are of all races, originally they were from what was called **Uruk** and later **Chaldea** in the Persian Gulf today.

The Original Phoenicians, Blacks, were eventually scattered and powerless by **200 or 300 B.C.**; yet the Romans and Jews and other Greeks, who were controlling **Tama-Re “Egipt”** at the time, allowed the figure head-puppet kings and queens of original Phoenician ancestry to continue to sit on the throne of *Egipt* until this **Jesus** was rejected as **A’aferti “Pharaoh”**. The

same way **Pa Tama’-Hu** albino seed, set up and controlled parrot rulers and puppet establishments in these times. They did the same in those times until revolutionary forces moved in and moved them out.

This occurred with the **Nuwaupian, Black A’aferti “Pharaoh” Taa II, Senkhtenre, Tao II** son of **Taa I, Senqenere Tao I, Taa Ken** who was killed in battle. The fight was continued by his eldest son **Kamose** and completed by his top military man **Ahmoose**, son of **Ebana**.

Under their reign, **Ancient Tama-Re** was taken out of the hands of **Pa Heka-Khasut– Hyksos “captive kings”** and returned back into the hands of **Nuwaupian, Black** rule.

After **Jesus-Justus, Cleophas** was denied the throne of **Tama-Re “Egipt”** because he was mixed with Roman blood and failed in his attempt to rally the Phoenicians to unity and power as they once were. He left **Tama-Re “Egipt”** at age 13, and when he became a man by law, he traveled to **India** as **Saint Isa**, where he

lived until age 26; then he came back through the land of Israel then back to Tama-Re "Egipt", returned to India and died in Kashmir at the age of 71. He is buried in a tomb in Sringer in India.

Then there's Jesus, Yashu'a of 2,000 years ago, the son of Mary and adopted son of Joseph - the carpenter's son Mark 6:3. THIS IS THE REAL JESUS. He was born June 26, 7 A.D. and was fathered by the "Holy Ghost" or Gabriel. This is the Immaculate Conception that was taken from the true accounted of

Aset "Isis" and her son, Haru "Horus" as recorded in the Egiptian Mysteries. When he was a baby, his parents had to take him to Tama-Re "Egipt" to keep him from being killed by Herod, the ruler of Judea.

Yashu'a, Jesus of 2000 years ago, then came back to Judea, Jerusalem after Herod "Heroic" died. At this time he was 11 years old. He was the one in the temple at 13 years old where he impressed the elders with the knowledge that he had gained in the mystery schools of Tama-Re "Egipt" before coming back to Jerusalem once Herod was dead, Matthew 2:19. Herod was the Son of Antipater "Like the Father" and Idumaea "red race or Edomite".

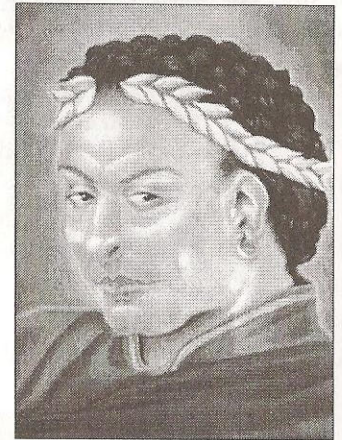

Figure 34
Herod, Ruler of Judea

This Yashu'a "Jesus" eventually left Mary and Joseph to start his mission. He taught in Israel that he was to gather only the lost seed of Judah. Matthew 15:24 The other tribes like the Levites, hated him because of that. So when he was 33 years old, they set out to kill him on the cross. He escaped and a scapegoat name Judas was crucified in his place.

Jesus of 2,000 years ago returned to Tama-Re "Egipt", and lived there from 33 to 120 years of age, in the *Ancient Egyptian Order, A.E.O.* under Tehuti; then he died on top of the pyramid at Giza, which is a ritual in that sacred order. From this event, comes the expression "x marks the spot", the spot of death and burial for this Jesus.

It is written that this Jesus was put to death at a place called **Golgotha**, meaning "skull"; The Great Pyramid at Giza, Egipt, is a sepulcher, ritual tomb of the Dead Ritual of Asaru's "Osiris" Death and Resurrection.

The Cap Stone

Figure 39

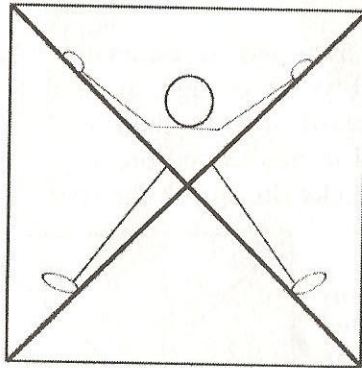

Diagram 5
The Four Pyramids

It is also written that this **Jesus** died on the cross. The pyramid is the cross that also represents the astronomical symbol (\oplus) of planet earth, because the four triangles of the pyramid form the cross that looks like this when viewing the pyramid from a position above it.

So when the **Tama'-Hu** religion of Christianity teaches that they put this **Jesus** to death upon a cross, he really died on top of the pyramid in the *Pyramid Ritual of Asaru "Osiris"*. What happened to the body of this **Jesus** is the same thing that happened to the bodies of all **Nuwaupian A'aferti "Black Pharaohs"** before this **Jesus**. The bodies of all **Nuwaupian "Black"** pharaohs were mummified, including the body of the pharaoh called **Jesus-Justus**, that is, **Issa Panthera** or **Cleophas**.

Jesus of 2,000 years ago had a son called **Simon Bar Jesus** (*Acts 8:9-11; 13:6*). The meaning of "bar" is "son" in Aramic (Hebrew) so you get **Bar Jesus-the son of Jesus** or **the son of god** by his wife **Mary "Rebellion" Magdalene "a tower"**. He was born **September 17, 28 A.D.** in **Bethany "House of Dates"** (**Betharaba**).

The third **Jesus** is **Simon Bar Jesus** was born during the period of time when **Jesus** of 2,000 who years ago was married to **Mary Magdalene** and she got pregnant. **Jesus** of 2,000 years ago had aspirations of his son, **Bar Jesus**, becoming a great teacher. But this **Jesus**, **Simon** got caught up in spookism and went out to teach his own doctrine. In *Acts 8:9*, it was his bewitching of the people that made him a man of miracles. **Jesus'**, of 2,000 years ago, followers, referred to **Bar Jesus** as a **Magus** "wise man or

sorcerer". He was caught up with the rituals and practices of the Kabbalahism, and from these practices, he became a well-known sorcerer. His father had taught him about magic or the **Magi**, and more information than he was supposed to know at such a young age, when he had not gone through the schools of thought that would render him worthy of such information.

The word "**magic**", according to *The American Heritage Dictionary*, comes from the middle English word **magik**, from old French **magique**, from late Latin **magica**, from Latin **magice**, from Greek **magike**, from feminine of **magikos**, **magician**, **magical** from **magos**, **magician**. **Magus** is from middle English **magi**, **magi** from Latin **magi**, pl. of **magus sorcerer**, **magus** from Greek **magos**, from old Persian **magus**. See **magh** meaning "to be able, to have power".

Therefore he abused the knowledge he had and changed information around from the teaching of his father to his advantage, which eventually led to his death.

Simon Bar Jesus had many followers, **Paul** was one of them. **Bar Jesus** was of the real tribe "of **Judah**" like his father, **Jesus of 2,000** years ago. **Simon Bar Jesus** performed miracles and was even called, "*not the real prophet*", unlike his father who was considered a prophet. He was eventually found guilty of being a sorcerer and a false prophet. After his said death by crucifixion, **Simon Bar Jesus'** body was taken to **St. Peter's Basilica** in **Rome**, where he was buried in **61 A.D.** after converting **Tama'-Huaat Europeans** called, "*Gentiles*", something his father said not to do. (Refer to "*Degree of Christism*")

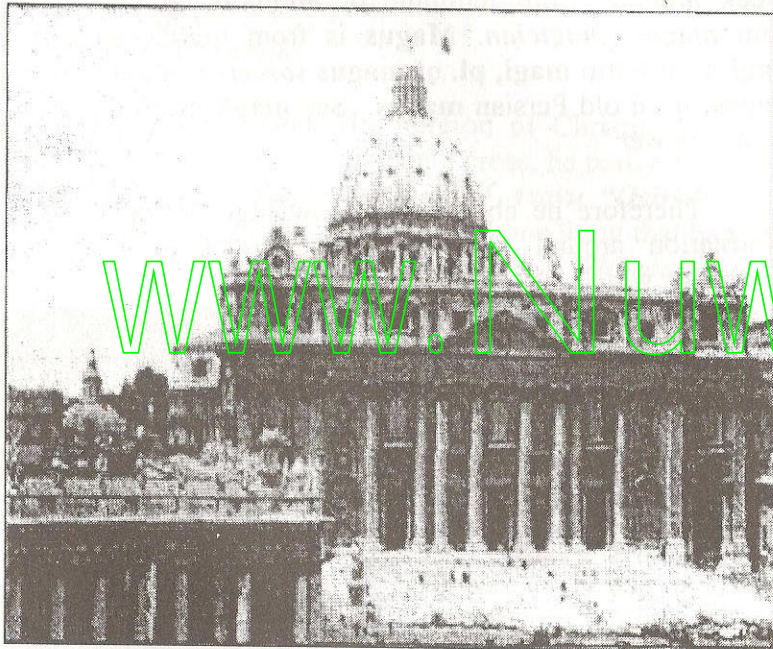

Figure 42
Crypt of St. Peter's Basilica

Simon Bar Jesus taught in **Greece** and **Syria**, where they got the name **Christian's** in **Act 11:26** and was crucified in **Rome** at the age of **33**. His body was taken to **Rome** for the benefit and perpetuation of **Christianity**. He is the **Jesus Christ of Christianity**, the **metaphysical Jesus**. Since **Simon Bar Jesus**

went and taught to the ghost people, those other than self and kind, was left open to be possessed by the spirit forces of ghost ether or 6-ether force, which gave him the power to perform his magic. That is why many people in church are possessed by evil spirits, who have them speaking mumbo jumbo calling it tongues. These poor souls are possessed by legions of demons from **6-ether** evil spirit forces, not the Holy Ghost Spirit Ghost or spirit like many believe. This evil spirit will possess you but won't improve your life's health or living conditions. You will stay poor, while the white church gets rich because that is their white magic, spirit, spook, ghost force in the Christian and Muslim churches. They call it Holy Ghost, "*Holy Dead thing*". At the time of his death, these same forces that gave him the power to perform miracles, left him before his death, preventing him from saving himself. These forces of 6-ether had only used him to extend the time the **Apophis** had to rule for another two thousand years, which was up as of the year **2000 A.D.**, which also marks the coming in of the sun cycle. Yet and still, this Jesus was a **Nuwaupian, Black** and they have you worshipping a **Tama'-Hu Jesus**, and loving other than yourself, and will desert you once you have served their purpose they have no need of you. You are and were the god that was worshipped. Ghost ether or **6-ether** can't be **9-ether**, the force that grew the universes. You are the sleeping god that has been placed so far under the spell, that you have no idea of your origin. However, you will remember your origin, under the guidance of **The Ancient Egyptian Order, A.E.O**

WAKE UP TO SELF AND KIND.

Simon Bar Jesus' mother was also called **Mary**, but it was **Mary Magdalene**, who was the wife of the **Jesus of 2,000** years ago. It was **Mary Magdalene's** wedding reception that was at **Cana (John 2:1-11)**. If it wasn't his wedding reception, why was his mother there? If they were just guests, why was she so concerned about the wine running out? Why was Jesus and the disciples there? There is never any mention of the name of the bride and groom. The Nicean council purposely went out of their

way to leave out all names, but **Mary** and **Jesus**. What was the reason that this **Jesus** went to this wedding? Or his disciples? **Jesus'** character type throughout the Bible does not seem like the type of guy who goes to weddings, unless the wedding was his own. Do you overstand?

As a matter of fact, **Jesus son of Mary** had two wives. His other wife's name was **Martha**, **Mary's** sister. You know **Jesus of 2,000** years ago was married because there are many places where it tells you in *The Holy Bible* where **Jesus** spent the night at **Mary's** and **Martha's** house *Matthew 21:17, Luke 10:38-42, 24:50, John 11:18, 12:1-9*. They lived in **Bethany**, which was first called **Bethabara**, which means "*House of preparation*" (*John 1:28*). *John 11:5* speaks about this **Jesus'** love of **Martha**, how much he loved **Mary** and their brother **Lazarus**.

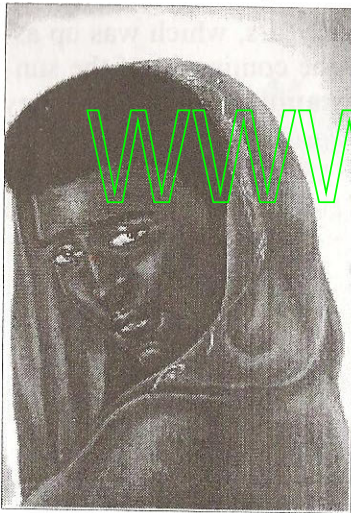

Figure 43
*Martha wife of Jesus
Sister of Lazarus*

Figure 44
*Lazarus brother of
Martha and Mary*

Here it shows you a story where **Martha** gets jealous of **Mary** because **Martha** is preparing dinner for this **Jesus**, and her sister is sitting up under **Jesus** and she goes to **Jesus** and tells

Jesus to tell **Mary** to go do some work. **Jesus** tells **Martha** to leave **Mary** alone (*Luke 10:38-42*).

Another example was after the incident at the **Garden of Gethsemane**, when **Mary Magdalene** heard that her husband did not have a proper Judaic burial, because this body of the scapegoat had been buried in a hurry. This would have been the body of Judas; yet, the body of Judas had already been moved, by the secret disciples **Nicodemous** and **Joseph of Arimithea**. She was coming to the tomb in the morning after the Sabbath in hopes to wash his body, put the coins on his eyes and wrap his body. (*John 20:11*). According to Judaic law, a woman is only allowed to do this if she is married or related to the Rabbi, because then she'd have to be looking on his private parts, and that would be a violation of the books of *Leviticus, Chapter 19*. Yes, she followed the law of *Leviticus*; you know this because she waited until after the Sabbath to come to the tomb.

So when you look more closely at the New Testament, you will find that there are usually three **Jesus'** as previously mentioned:

1. **Yashu'a Bar Maryam -Jesus the son of Mary and Gabriel** (the true one; a messiah) (*John 1:45*)
2. **Simon Bar Jesus - son of Jesus and Mary Magdelene** (Christ) (*Acts 13:6*)
3. **Cleophas, Jesus-Justus, Saint Issa - son of Cleopatra and Mark Anthony** (Holy Ghost) (*1 Colossians 4:11*)

Ques: How do the Tama'-Huaat get away with their his-story?

Ans: The **Tama'-Hu** race has taken full advantage of antiquity by hiding facts so that the lapse of time would seal them, because of course, no one living now, lived at that time except in the person of your ancestors who have been died centuries ago. He hides them right in the library or "where their lies are buried." Even if someone would put the body of **Jesus** on public view after two thousand years and call it **Jesus** or someone else well -known at that time, by what means after so many years, would anyone prove or disprove it?

The point is you, **Nuwaupian**, **Black** people have been under the spell of their religion for far too long with, their white god, white prophecy, white apostle and white angels. Give it back, it was all a white lie. The first, great white lie was told to you by your Black parents, when they told you to write a letter to a White man, asking for something for nothing, that was Santa Claus. This is that great white hope "white magic that has been forced upon us as a people for centuries. If your own black parents will teach you this lie, then anyone else will lie to you. They help enforce "white magic".

This spell has not only clouded your thinking, but it also has blocked you from your own liberation. You are unable to see the mistakes in the so-called "Holy Scriptures" you believe in and you actually allow your lives to be governed by "books of the dead", people or "books of ghost" what so many of you call holy scriptures such as: The Torah, **Qur'an** "*Koran*", Hadith and Talmud. In these same Holy Scriptures, people actually kill other people because "I" believe something different than "you". The word believe, is part of the problem. To believe in something is to accept something with out proof. There was a time when a Nuwaupian man's word was his bond, but that was a time in ancient **Tama-Re "Egipt"**, a time when there were no wars; there was a natural harmony, where people worked together naturally because of common interests. However, it has been a long time since the usurpation, or unlawful seizure, of the throne of **Tama-Re "Egipt"** and the trickery of the **Tama'-Hu** man was put upon the **Nuwaupians, Blacks**. However, now this is a thing of the past. You will regain your **9-mind**.

I cannot stress to you enough, do not accept, do not believe anything as true if it has not been proven to you beyond a shadow of a doubt. It is time for the minds of *the sleeping gods*, the **Black God-Man** and **God-Woman** to awaken. Break the **Spell of Amam "Leviathan"**, sleep that has prevented you from taking your rightful place as **Urat "Rulers"** and creators of this planet; or as one great man said: "*maker, owners, cream of the planet earth god of the universe*". The sun cycle is in. Reclaim what has always been yours!! Find your way home to **Tama-Re "Egipt"**. Home to your descendants: **Re, Asaru, Sutukh, Hat-Haru, Geb, Nut, Aset, Nebt-hut, Tefnut** and **Shu** who are your spiritual or Etheric parents. Some of them are seen below.

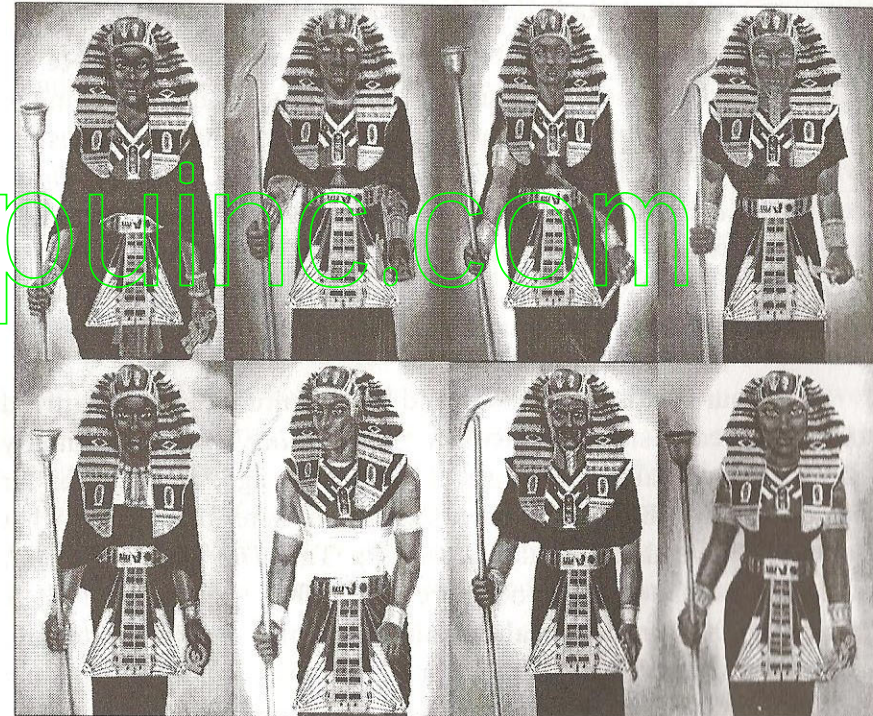

Figure 45
Pa Neteraat/Netertaat The Supreme Beings
of Ancient Tama-Re "Egipt"

9-Ether beings will guide you along the path once you have planted your feet firm. You will find love of self and kind in *The Ancient Egiptian Order, A. E. O.*, a solution to the Spell. Once you have committed yourself to love of self and kind half the battle is won. Take that step through **Pa Sebkhet** "*The Pylon*" never turning back. Only through progressing forward can you make that complete cycle in life and move on through another level. *The Ancient Egiptian Order, A.E.O.* can take you to the next level, where you will return to your right state of mind again.

I, as the Reformer for Nuwaubians, Black people have the power to foretell and retrace time and events. Now relate the true story, our story, the story of Ancient **Tama-Re** "*Egipt*", **Pa Neteru** "*supreme beings*", **Nuwaupic** the language, **Tama-Re** the rebirth of your ancient land and culture, and you must be willing to take the journey back to your ancient descendants and ancestors who are waiting to help you awaken from this *Spell of Sleep*, **Amam** "*Leviathan*". You can only awaken with the love of self and kind, which can happen only after you remember and accept who you are and where you came from. As mentioned before, the forces of 9-ether will open up to you. They are what grew you.

Your past is real, recognized by all cultures and is engraved in and carved in stone: **Pa Ruwty** "*The Sphinx*", which originally had wings, was also constructed **12,500** years ago, and dates as far back as **10,500 B. C.** That means you were here long before what scientists have dated as the age of **Pa Ta** "*The Planet Earth*", which is estimated to be no more than **6,000** years old. That is because **6,000** years was all the time **Apophis** was given to rule and is the date of their creation or origin. Yet and still their time and their rule is over.

The "**Pa Ruwty**", *Sphinx* is one of those pieces of evidence of how great you as Nuwaupians, Blacks, are. This structure has been standing for **12,500** years, withstanding all

forces of erosion of nature and the attacks of foreign invaders with their canon balls, only losing her wings. Yes, "*her wings*", a woman. The **Pa Ruwty** "*The Sphinx*" had the face of a **Urat** "*female ruler*". Many people are under the false impression that the face of the sphinx is that of the **Pharaoh Khufu**, because he was given the credit for its completion as well as the completion of the Great Pyramid of Giza.

Pa A'aferti Khufu "*The Pharaoh Cheops*", also called **Cecrops**, was the king of northern and northeast **Africa** and **western Asia**. It was **Khufu** "*Cheops*" who lifted the immigration ban and allowed the first group of **Pa Heka-Khasut** or *Canaanites* mentioned in the Bible *Genesis 28:1,3* **Tama'-Hu** from Europe and **Grews** "*Greek Jews*" from Greece, to reach **Africa** and **Asia**.

This ban was called "the rope", which is where the word *Eu-rope* came from, and all knew not to pass that barrier. The immigration ban had a restriction that said no one without dark hair and dark eyes were allowed to enter **Tama-Re** "*Egipt*".

The **Tama'-Hu** race were sealed in Europe by anti-immigration laws for **1,000** years (*Revelation 20:2*); They were there from the time **Pa Tama'-Hu** albino seed were sent from the **Aegean Islands** to Europe until the time of **Pa A'aferti Khufu** "*The Pharaoh Cheops*" which is why Masonic groups have the symbol of this Egiptian pharaoh, who the doors of **Tama-Re** "*Egipt*", to them, **Pa Tama'-Hu** race after being banned for so long.

The **Tama'-hu** walks around in America and other countries with, a self-confidence, as if he is home. Stop and think. He does not belong in America. It is not his homeland. His homeland is Europe. America is, not Europe; yet, he has you, Nuwaupians, accepting all he does here as if it's his. It's not. Part

of his spell is he walks around convincing people that what he does is right. He comes into other peoples' countries starts making laws to punish you if you break the law, but remember you are again in your country, before his made up laws were forced upon you. He starts wars and becomes the law, the judges, attorneys etc. in a country that is not his. This country belongs to the Native Americans who were dark-skinned, woolly-haired beings, that inhabited what is now called America long before the invasion of the Heka Khasut "Hyksos-Canaanites" and they are not to be mistaken for the American Indian - light-skinned, straight-haired Indians that are claiming to be Native Americans. They are two separate groups. The dark-skinned woolly-haired Native Americans, who were first and their children who came from the Native Americans mixing with the Chinese, East Indian, and Eskimos, to give you your American Indian of today. So the trick is to make you think you are wrong, for doing your own thing, in your country as if this country belongs to him. It doesn't. It belongs to you.

Khufu "Cheops" ruled part of Europe, as well as part of Africa and Asia and in Pa Tama'-Hu's albino seed, mythology and legendary history there is a king they call Cecrops (Cheops), who was the first king of Attica, actually means the first king of Greece for the Tama'-Hu. Nuwaupians, Blacks, have been living in all areas of the Ta "Earth", such as Europe, Asia, Ireland, England, and Norway.

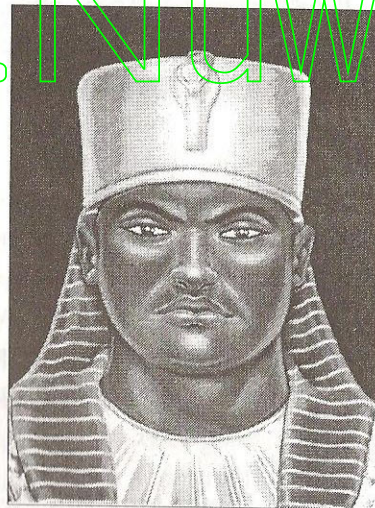

Figure 46
Pa A'aferti Khufu
"The Pharaoh Cheops"

In other words all places that are predominately "white" countries, that are considered Tama'-hu countries were inhabited by Blacks, long before the time of Biblical characters such as: Qadmon, Zakar, Adam and Nekaybaw, Hawwah, Eve, who were the second set of Homo Sapiens able to procreate. You may ask how is this possible according to history "his story"? Well Nuwaupians, Blacks were the first beings on the earth and existed before the 7 continents or before continental drift.

Cheops, Ethiops, was Ethiopian, also Black as the name implies, and he is the Ura "male ruler" who put the finishing touches on the symbol of living power, called the sphinx, and the symbol of the power of the dead, called the great pyramid. Nuwaupian Ura-aat "Rulers" before Pa A'aferti Khufu "The Pharaoh Cheops" had blue-printed and already started the construction of those masterful monuments and masonries, but Khufu, Cheops is given the credit for their completion.

Definition of Cecrops

Cecrops, SEE kraphs, in Greek mythology, was the first king of Attica and the builder of the great fortress of Athens. He called the fortress Cecropia in his honor. He was half man and half snake. Legend says he introduced the customs of marriage and burial of the dead, and did away with sacrifices of blood. Cecrops also founded the city of Athens. Padriac Column

Khufu, Cheops was one of the last real powerful Tama-Reye-aat "Egyptians" during his rule. That's because after the Pa Heka-Khasut -'captives of kings', were allowed into northern Africa and western Asia, the morals and mentality of the populations weakened.

The first set of **Heka-Khasut -Hyksos Captive Shephards** that came were those children of **Hammath**, the 11th tribe of **Libana "Canaan"**. This was the only son that was born with dark hair and dark skin, so his tribe was allowed to cross the border. When they came, they began to raid the Black tribes, taking the women back up into the mountains to reproduce. As stated before, with them came a breakdown in the moral structure of Nuwaupian, Black, people. They continued their raids in the village and got as far as India, which is where they stopped and is why in India today you will see a range of complexions from the darkest of the dark, to the lightest of the light with straight hair. One of their chief deities is Krishna, who is depicted with dark blue skin.

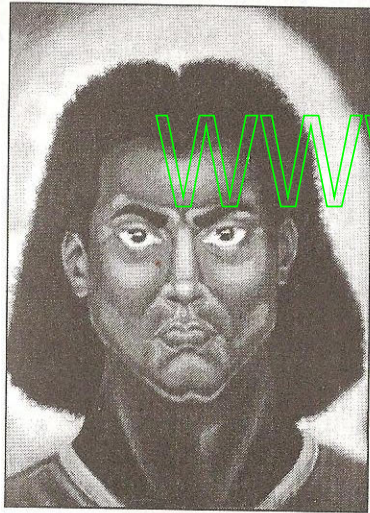

Figure 47

Pa Tuta emphasized racial differences, and the Phoenicians, who were in a much better power position than the **Pa Tama'-Hu** race, capitalized on those racial differences. They took

over rulership of **Tama-Re "Egipt"** from Nuwaupians, Blacks, as was predestined by the cycle of nature.

The Phoenician, or **Nodite** race has always been closest to the Nuwaupian, Black race ever since **mankind** evolved. They are the children of **God-Man or Nuwaupians, Blacks**, the original **Hindus or Asiatic Blackman** out of which **mankind** was made. I use the word made, because mankind is a kind of man made from something or someone already existing. The Original Phoenicians were considered as the closest to the original Nuwaupians and they, the Phoenician people, represented the sun deity. Likewise, the **Nuwaupians, Blacks**, are the strongest terrestrial sun force by nature, because nature actually grew you. So when you read in history that the Phoenicians used to worship the sun deity, these are, **Pa Tama'-Hu "The White" ghost man** and not the original. These Phoenicians used to worship Nuwaupians, Blacks, long before the Romans, Jews, and other Greeks did. Again, **Khufu, Cheops**, was a woolly-haired Nuwaupian, Black, but because the cycle had changed in favor of the last stage of mankind's evolution, being the **Ah "Moon" cycle**, **Khufu, "Cheops"**, became an incarnation of the Phoenician deity called **Ra** and **Tehuti "Thoth"**, but not the deities of ancient **Tama- Re "Egipt"**

So, **Khufu, Cheops** was an incarnation of a Phoenician deity, although he was Ethiopian by race and was called "the finisher" of the Sphinx and the great pyramid. This is why I can refer to the sphinx and pyramid when explaining information about Phoenician deities with such names as **Jesus, Jupiter, Zeus, Pan**, etc., Because of the moon cycle, and the forces it ushered in the **Ethiopian, Black "God-Man"** stopped being himself ever since **Khufu's "Cheops" time**. However, it is time for you to be yourselves again.

The first born children of **Canaan** "**Adam**" and **Salha** "**Eve**" were the beginning of the Christ, "ghost" in person, called Christ, on **Ta** "**Earth**" **6,000** years ago, **4,000** years before the birth of **Jesus** of **2,000** years ago. As mentioned before, everything that is invisible on the planet earth has a visible counterpart agreeable or disagreeable, somewhere on this planet.

The name **Noel**, as in the *Christmas Carol*, means **Noah** and is **Alyuwn**, **Eloah**, or **Eloheem**: **Alyuwn**, **Eloah**, or **Eloheem** is the agreeable force, father of **Jesus** of **2, 000** years ago called **Gabriel**, the holy soul or Ether being. The disagreeable **Eloheem** is called **Jesus**. **Jesus** or **Ja Zeus** is **6-ether**, the forces of evolution, **Zeus** being the chief or father god in Greek mythology, from which the name **Jesus** was derived to deceive the Nuwaupian, Blacks, Israelites into accepting a foreign deity. **Jesus**, who has many names such as: **Zeus**, **Jupiter**, **Christ**, **Kristos**, **Lord**, **God**, **Lucifer**, **Beelzebub**, **Satan**, **Iblis**, **Harmachis**, etc. was the god of the albino **Phoenicians**.

Jesus is the Capricorn of the 12th sign, 12th month of the zodiac, and astrology is **Amam's**, Leviathan's religion along with **Tarot Cards**, and **Ouija Boards** and **psychics**. This is their way of getting in contact with those familiar spirits. The **zodiac**, an ancient Babylonian word for animals, has many forms such as the dog, monkey, eagle, serpent, crocodile, etc. that are not shown in almanacs, dictionaries, and encyclopedias. Although this stems from ancient **Tama-Re** "**Egipt**" as everything does, it was distorted and altered from its original meaning.

For instance, **Zodiakos** is the Egiptian **Netert** "**female deity**" **Hat-Har** "**Hathor**" and the Temple of **Denderah** was attributed to her, and is where the original immaculate conception took place with **Aset** "**Isis**" to conceive **Haru** "**Horus**".

Ques: What are the definitions of the words Jew and Hebrew?

Ans: The words "*Jew and Hebrew*" are confusing to some people, because many people think they are the same in meaning. No people can not be true Jews with their interlocking six-pointed star, or true Christians, with their cross, by nature, but the **Tama'-Hu ghost man**.

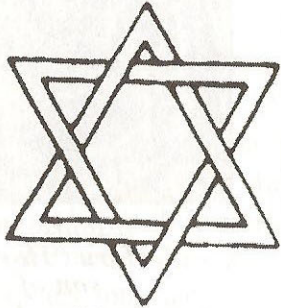

Diagram 6
The Interlocking

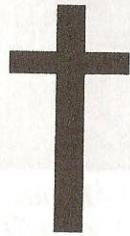

Diagram 7
The Cross

First of all, the word "**Jew**" or **Gews, Grew**, which is short for **Greek** or a short combination of the words **Greek** and **Hebrew**. You see, all the Greeks are Jews by the simple fact that the father of the Greeks is **Japheth, a son of Noah and Na'mah**, through his son **Javan** who married a Hittite named **Iris** and produced the **Ionian Race**. The name **Yawan** in Hebrew means "*clay*". The name **Yawan** or **Javan** in English is taken from the Greek word **Iaon** for **Ionian**, a general term used throughout the Bible for the Greek race. Through this union, the ghost men were able to exist without the extreme affects of leprosy and produced hair colors of auburn, brown, to almost black with dark-eyed Greeks, who are really mulattoes. This mixing allowed these foreign tribes to invade Ancient **Tama-Re "Egipt"**, having dark hair and eyes unlike the white or Albino tribes having transparent skin and clear

eyes although they appear blue. Refer to *The Ancient Egiptian Order Magazine Volume 4*.

They were star-worshippers and that is their symbol called "*The Star of David*". When they know it's "**magan**", meaning "*shield*" as found in **Genesis 15:1** as Abraham's shield. You must be very careful of the star you use, and make sure it's not an interlocking one and make sure the **ankh** you use is not the **Tau**.

The Ankh (Tau)

David used the shield of Abraham, later called the star of David. The original Jews were star-worshippers, and the true stars are suns. The Earth's sun is a star, which is fire. They were and are fire worshippers. However, the Jews adopted the term *Hebrew* because they are derivatives of those East Indian Hindus and mixed Phoenicians, those from Nod, Lebanon. Therefore, when the terms *Hebrew* and *Jew* are used in the Bible, most people think they mean the "White" of Jewish origin; in some cases yes, and in some cases no. *Hebrew* is a variant of the word "*ghebre*". Sometimes spelled *gheber*, *gibborim*, and *jabbaarat* (Genesis 6). A *ghebre* is a fire-worshipper. A true star is fire, ether fire. The sun of earth's solar system is one of the true stars.

A point must be made here to shed some light on the Israelites of your Bible. There were **Nuwaupian, Black** Hebrews and there were **Tama'-Hu** Hebrews. In fact, one of the tribes of Canaan of your Bible, called the **Sidonians** lived with the **Black** or **Hammathite** tribe. This tribe of Canaanites had pale skin and red hair. In reality these people are those foreign people called Setians

who followed the Neter "Male Deity" **Sutukh**, which is why he is depicted with a white mask of a Camel With clipped Ears, with red hair.

There were Ethiopian Hebrews too, meaning, woolly-haired people who were Hebrews. However, since the Jews have possessed the term "**Jew**" for themselves, let them have it. Don't try to reclaim it, because the woolly-haired people among the other Hebrews were only being used anyway. Moreover, the original Hebrew writers of the books of the Bible were **Nuwaupian, Black**. Then the Phoenicians were used by the moon god, Dina, to reprove the **Pa Tama'-Hu** race concerning what they were doing to darker peoples; but the moon god knew that **Pa Tam'a- Huaat ghost men** would persecute and even kill those that spoke with disapproval; but that was part of the game the moon god was playing to keep the moon cycle in progress and the **Pa Tama'-Hu Heka-Khasut - Canaanites** in power. This happened to Simon Bar Jesus who was also used as a part of this game as mentioned earlier.

In light of the previous paragraph, you can easily see that the people in bondage and captivity in the Bible were darker people, especially THE ORIGINAL Phoenicians, Nubians, Blacks. It is written that the Hebrews lost their tribal identities around **400 or 500 B.C.**; but there were never any twelve tribes of Hebrews in the first place. The real "Hebrew" were Chaldeans who crossed over, and because of that motion, were called "**Hebrew**". The Hebrews who began losing their identity around that time were not **Pa Heka-Khasut** or Pale of Judaism, but they were the Original Phoenicians, Blacks because around that time is when the Canaanites started their cruel persecution and suppression against the Phoenicians, and the Phoenicians started going wherever they could to escape those atrocities and brutalities.

So by **300 or 400 B.C.** around the time the last book of the Old Testament or old testimonies is supposed to have been written, there was hardly any need for a prophet, because the Phoenicians

were so well scattered. However, there were various writings between **400 B.C.** and **1 B.C.** by priests and prophets that should be part of the Old Testament (Old Testimonies), but are not, because they tell of the cruel persecutions and atrocities that preceded the appearance of Jesus.

The Old Testament are testimonies of people who came along and studied the two tablets The Torah, תורה meaning "*law*" from the Aramic (Hebrew) root word "*ayah*" יָאָה, that were given to **Moses** at **Serabid El Khadim**, where the temple of **Hagar**, the Goddess **Hathor** stood. These tablets were created by **TAMMUZ** by taking portions of the 7 Holy Tablets, **The Tablets of Destiny** of the **ELOHEEM** and combined them with the **Gilgamesh Epics**, which talks about the great deluge.

Figure 56
Moses holding the tablets

If you look at the two tablets that **Moses** held, you will see they begin with the Hebrew letter Alef (א) and end with the Hebrew letter **yod** (י) symbolizing the **10** commandments, which all real students of the Torah know is not **10**, but **613** commandments which when added together $6 + 1 + 3 = 10$ any way.

The Alef (א) is symbolic of the name of **ELOHEEM** (אלהים) in the first chapter of **Genesis** which uses only the name **ELOHEEM** and the yod (י) is symbolic of the name **Yahuwa** (יהוה) of the second chapter of **Genesis**, which uses only the name **Yahuwa ELOHEEM**. This, along with the laws of the Levite priests who are the students of the serpent (**Levi-athan**), and the Levitical laws, which are the laws of Satan, come from the laws of **the code of Hammurabi** (meaning Rabbis [Masters] of **Ham** (being **Ham** was the father of **Canaan**)). They are the same laws that are made and enforced by the **Pa Tama-Hu** "*The white*" Ghost man that govern the world. The **Chemarims** or **Khamarim** are the black-robed priests of different idols. They were appointed by the kings of Judah to conduct worship in high places. The original significance of the verbal form was "**to be black**", and explained the use of the noun by the assertion that the idolatrous priests wore black garments. Today, it represents the one that becomes emotional behind the pulpit when he dances around while trying to "fire up" the audience. The word "**kamar**" (כמר) means "*to grow warm and tender, be or grow hot, black, dark, gloomy*"; it also means "*idolatrous priests*"; it is the root of "**khamarim**". This is parallel to the root word **kham** (חם) meaning "*black, or heat*", which comes right to **Kham** (חם) son of **Noah** and father of **Libana**, **Canaan**, father of the Canaanites; the enforcers of the code of laws.

It's clear to see the laws you are forced to adhere to, are made up, written, and enforced by pagan worshippers of Baal by way of **Ham's son Canaan**. When you look at the derivative **Khammin** (חם) you'll find that it means "**sun pillar**", used in idolatrous worship and often as epithet of the solar **Baal**. On the tablet that has the code of **Hammurabi**, you see the sun deity **Shamash**.

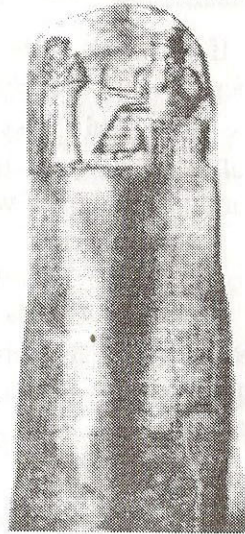

Figure 57

*The Code of Hammurabi
Shamash, the Sumerian deity*

The priests of **Baal** were called **Chemarim**. One of these **Chemarim** bears the name **Sanchoniathon**. He was a priest of **Baal** who purportedly wrote the history of the world on the sun pillars of an ancient Syrian temple. Those were sun pillars the Pagan Canaanites had dedicated to the solar disc. **Sanchoniathon** claimed that he was standing in the lineage leading directly from **Adam**, and through **Cain** down to his day. He claimed that **Baal** worship was descended from **Cain**.

Right translation in Aramic (Hebrew) by:

Mistranslation for King James 1611 A.D.

"I WILL ALSO STRETCH OUT MINE HAND UPON JUDAH,
AND UPON ALL THE INHABITANTS OF JERUSALEM; AND I
WILL CUT OFF THE REMNANT OF BA'AL FROM THIS PLACE,
AND THE PRIESTS."

From the definitions being used you'll find that the **Chemarim** were the priests of **Baal** who wore black robes. This is the garb most worn by the priests and ministers of today. These men wore these robes in contrast to the white robes ordained by **Yahuwa Eloheem** to wear in the temple. This is why the Catholic Church and the Christian ministers as well as the Jewish Rabbis all wear black when in their scriptures it clearly tells them that they should be wearing white robes. What is interesting in when you were in ancient **Tama-Re "Egipt"**, you too wore black, and wore white only during funerals.

The Levite priests were responsible for converting the children back to the worship of the bull god, who they called **Tor**, as found in *Exodus 32:1-6*. In ancient **Tama-Re "Egipt"** would be the **Neter "Supreme Being" Apis** the bull or **Hat-Haru "Hathor"**, whose symbol was a cow with the tall horns of the Apis Bull. Aaron deceived **Moses**, and the high priest, from the knowledge of all this.

Figure 58
Pa Netert Hat-Haru
"The Goddess Hathor"

Along with the testimonies of other people, they yielded the rest of the Old Testament, like the **Patriarch Ezekiel**, who tried to tell about the **ELOHEEM** that he saw, but you do not see this. The so-called Jews further distorted the Bible by the Talmud and the Mishnah. The Nubians that lived in these regions who were controlled by the **Pa Tama-Hu** Ghost man, were forced to accept the Canaanites' new version of Christianity, *Matthew 23:15*, which came out of the Alexandrian schools of **Egipt** around **300 B.C.**

It was mixed with the Hindu doctrine because it is partly based on the belief in reincarnation and "god" incarnated into flesh. The Hindus brought **Seh "religion"** to the planet **Ta "Earth"** 17 million 250 thousand years ago with the first moon cycle.

The **Septuagint** (the Greek version of the Old Testament from which came the Latin and English versions) was compiled (collected) after **Alexander the Great**, the Greek marched

unopposed into **Tama-Re, "Egipt"** and Northern Africa around **333 B.C.** The **Septuagint** was published several decades later around **300 B.C.**, and this means that the so-called Jews did not have an organized Bible until the Greek version was compiled, for they had been using various scrolls and parchments for their religious rituals and rites. Moreover, the Jews were well schooled in the **Kabala** system--a system of mystery words and secrets that were passed down secretly by word of mouth, from father to son and mother to daughter, but never put in writing; The Kabala was their book of devil worship.

There have been many versions and revisions of the **Septuagint** or the Old Testament, since its compilation and publication around **300 B.C.** The **70** and **72** emissaries from Jerusalem who were supposed to be the ones who compiled the old Testament, were the people who were persuaded to change the writings to suit the purposes of **Pa Tama'-Hu** ghost rulers. At the time of the advent of Jesus, apparently the Jews had not yet claimed the Ethiopian and Phoenician bondage and captivities of the Old Testament as their own, as evidence by this written statement *John 8:33*.

John 8:33

Modern Greek Script

"THEY ANSWERED HIM, WE BE ABRAHAM'S SEED, AND

Jews and the other Canaanites, if given the opportunity in
the future, will also claim the enslavement of the Nuwaupians as
enslavement of the Canaanites, as the Jews claimed the
enslavement of the Egyptian as the enslavement of Jews. For
instance, the 430 year bondage that is mentioned in the Torah
involving the Israelites enslaved to the Egyptians, was actually the
Egyptian bondage to the **Heka Khasut**, who took over **Tama-Re**
"Egipt" and suppressed the original people for a time, until their,
the **Heka Khasut** – "Captive Shepherd" exodus from **Tama-Re**
"Egipt", when they were being chased across the sands of the
desert.

Moreover, in reading the Bible, people make the mistake
of concentrating too much on what *god* or Jesus is supposed to
have said and too little emphasis on the other side of the argument,
and through this error, people miss valuable information and eye-
opening knowledge, which disproves many Biblical and **Tama'-hu**
"White" people claims, not only by words, but also by what
actually took place before. Then, by what took place since, and
what is taking place now. In other words, note that secular

(unreligious) history does not coincide with those claims, and that
the whites are still doing today what they did then, which was
claiming one thing and then doing another. This makes them
history's best known hypocrites and liars.

So there is a time span of 300 or 400 years between the Old
and New Testaments, because (1) the Hebrews (the Phoenicians)
were too scattered, therefore there was little need for a prophet. (2)
After the **Septuagint**, (The Old Testament) was compiled and
published around 300 B.C.) Any Biblical writing in B.C. after
The King James Version would have to be an unauthorized
edition, such as **Bel** and the dragon, the wisdom of Jesus, the
Maccabees, the book of Barnabas, etc. and (3) there were many
words and works that went on between 400 B.C. and 1 B.C.,
which the **Pa Tama'-Hu** ghost man did not want known, such as
the persecutions and atrocities **Pa Tama'-Hu** ghost man used to
eliminate Egyptian pantheism before they finished it off around the
time of Jesus.

When the New Testament was compiled, it began with God
coming down to save the people, which is based on **Genesis**
Chapter 2. The Greeks, Ionians, who mixed in with **Adah**, wife of
Esau and son of Jacob, had to create their own Gods. They took
their seed and gave them a doctrine, which became Christianity, an
offshoot of Hinduism. The books of **Ezekiel** and **Daniel** of The
Old Testament were used to compile the book of **Revelation**. They
took other books from The Old Testament and created a messiah
image and god incarnated into flesh concept. They took this to the
Gentiles who incorporated their own doctrine, which double
enforced the spell of **Enqi, Sutukh** cast by **Zuen, Apophis**.

**Ques: Why are there four similar books about the same story
at the beginning of the New Testament instead of one?**

Ans: Because in reorganizing Christianity after the so-called
death of the Three Jesus', the Canaanite had no proof of their

stories, particularly the parts pertaining to immaculate conception. In *John 7:42* the word "seed" in Greek is "*sper-mah*" (σπερμα) sperm which comes from a man.

John 7:42

How did **Mary** get pregnant? They also had no proof of the
resurrection of **JESUS**. The reorganizers of Christism could not
bring out the parts about the "immaculate conception" and
resurrection until scores of years after the so-called death of **Jesus**,

because the people living in his time, and for years after, knew
better. Therefore, they could not publish with success these
additions to the story about **Jesus** until the people who knew better
had died out, and certain parts of the true story had been concealed.
It was not until around **325 A.D.** that the council of Nicea that
reorganized Christianity really began to flourish in the form that
you know it today. The new concepts called *Immaculate
Conception* and resurrection had been added by that time; and all
three **Jesus'** became one person in three, called the trinity.

The earlier forms of Christianity, such as the beginning of
the book of John, did not have the later ideas called the
"immaculate - story about **Abel** and **Cain**. Christianity before that
based on the 3 Jesus' of 2,000 years ago broke out around **500 or
600 B.C.** during when the Phoenicians power of **Nod** or **Lebanon**,
began to dwindle, and **Pa Tama'-Hu** Ghost man, cursed albino
seed's, power began to increase.

These earlier forms of Christianity started with Greek
philosophies such as Pythagoras, Hippocrates, Socrates, Plato,
Aristotle, etc. who received their knowledge from the Egyptian
Mystery system that was headed by Egyptian **waabaat "priests"**,
prophets and other mystic men. Of course, the first and earliest
form of Christianity started with **Cain**

The beginning of the loss of Nuwaupian or Black, rule,
freedom, and independence, was when the Egyptians let the Greeks
and others into their mystery system from which they obtained vast
knowledge, secrets, and activated names of **Supreme Beings, gods
and goddesses**. The Egyptians had what was called lesser mysteries
and also greater mysteries.

The original Phoenicians (latter-day Egyptians) took the **Pa
Heka-Khasut** into their confidence, and that was the beginning of

the end of **Tama-Reye** "Egyptian" power and rule. Today they are called **Ros-i-cru-cians (Rosicrucians)**, Freemasons, Astara, etc.

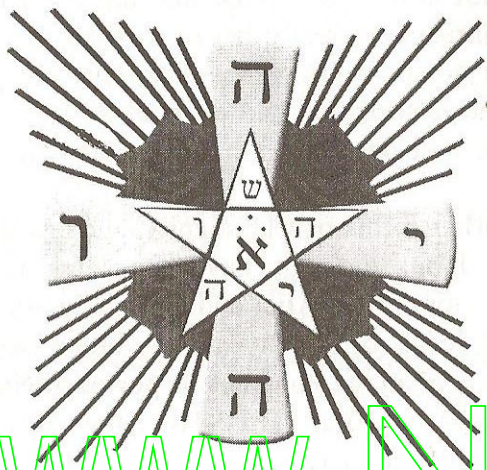

Figure 59
Rosicrucians "The Rose and Cross"

These **Heka-Khasut** pushed in slowly and took over the police department and eventually took over to rule.

Alexander the Great, being a Greek with dark eyes and hair fell with in the restriction of the immigration laws granted by **Khufu "Cheops"**, so he was a member of the Egyptian Mystery System, and by the time he came on the scene around 333 B.C., the way was clear for just about anything the **Heka Khasut** wanted to put forth. This is why **Alexander** was able to march (unopposed) into **Egypt, Eastern and Northern Africa**, and elsewhere. Although **Alexander** had sworn his alliance and allegiance to the goals of the Egyptian Mystery System of which he was a member. He was also a member of a vast clandestine spy system of **Pa Heka Khasut** whose aim was to deceive and deprive

the **Original Phoenicians, Blacks** of their ruling power and independence. Today they are called the **C.I.A. and K.G.B.**, etc.

The first member of the spy ring to join the mystery system was the first **Tama'-Hu** accepted into the mystery system, because that is the nature of the **Tama'-Hu** the pale man--to deceive and spy on darker people. **Pa Tama'-Hu** ghost man's spy ring was the key that opened and cleared the way for **Alexander's** march.

Once the **Tama'-Hu** seed were admitted into the mysteries of **Tama-Re "Egipt"**, of course, the power they received would be used for negative purposes or would turn negative like the **Tama'-Hu** albino seed were, and that negative power was enough to make the spy system successful by the help of the **Tama'-Hu** women, and some of the Nubian Phoenicians, Blacks, themselves, who were spellbound by **Apophis**, making them black devils helped them to destroy their own.

Alexander, a **Greek**, was falsely built up as a great conqueror, but he was a fake who the **Tama'-Hu** spy system chose to take bows for the work the spy system had done. However, most Greek philosophers and members of the spy system who were also members of the mystery system, met with ill-fate for their deceit and broken vows to the laws of the mysteries.

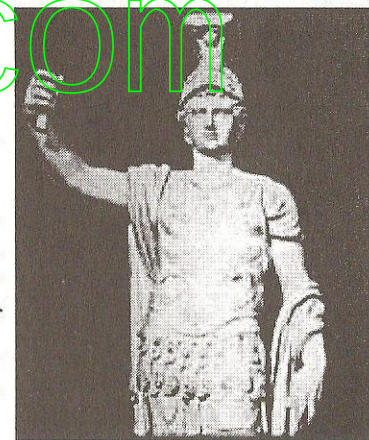

Figure 60
Alexander The Great

The philosophy they taught was from darker people, and was foreign to their people, and their people were afraid of it at first. Teachers of the new philosophy who were not put to death,

died in shame and disgrace, including **Alexander** who died of drunkenness at the early age of 32.

The Alexandrian Christian schools in **Tama-Re "Egipt"** that started around **300 B.C.** and were named in honor of Alexander the Great, produced such early Christians and reformed Jews as the Stoics, Gnostics, Essenes, Zealots and others who lasted until the advent of **Jesus son of Mary** and for a time after; but the Essenes (who were also called zealots) and some others became a part of **Jesus son of Mary** followers. Subsequently, the three gospels (the first three books at the beginning of the New Testament) had no factual backing when the *Immaculate Conception* and *Resurrection* concepts were organized and became doctrine prior to the council of **Nicea (325 A.D.)**. Therefore, the organizers at the council decided to publish three similar books and proclaim that three eyewitnesses: **Matthew**, written in the **51 A.D.** in **Palestine**; **Mark**, written in the year **60-65 A.D.** in **Rome**; and **Luke**, written in the year **56-58 A.D.** in **Caesarea**. The book of **John** was written to clear up this mess in the year **98 A.D.** in **Ephesus**. **Matthew**, **Mark**, and **Luke** had no contact with each other when they wrote their books in 4 different places at different times. This, plus the similarities among the four books were supposed to prove the gospels. But that is no proof because (1) there would have to be further proof of the four eyewitnesses who had no contact with each other and who wrote their books in different places at different times, therefore, (2) three of the books were produced from the original one, the **Book of John**. Of the four, or all four came from a fifth book, **The Holy Tablets**. So it's very easy to make all of your prophecies about your Jesus look true. You just copied them from *The Holy Tablets*, saying, look there it is. Then you have the Book of Barnabas which most of the public has never seen. It tells that Jesus, **Yashu'a** of 2,000 years ago was not crucified on any cross. In other words, you could be told anything after those who knew the true story died out or were put to death. The **Tama'-Hu** ghost man's title of the Bible is *Holy Bible*, which is a copy of the fabricated "**Babylonian text**" as previously stated. But the universal title of the Bible is the book of

the dead, because it is from the dead and is about the dead and is for the dead, the physical and mental dead. This is why we see the same symbol on the church, house of the mental dead, that you see in the cemetery, a place of the physical dead; the symbol to which I refer is the cross, the sign of the dead--physical and mental.

"**Cross**" is a word that refers to crescent symbolic of **ENQI**, equivalent in Egypt to **SUTUKH**, who ruled **Pa Ta "The Earth"** before his brother **ENLIL**, equivalent in Egypt to **ASARU** was sent by their father, **ANU** to take over the rulership, of **Ta "Earth"** in the Sumerian Doctrine.

Diagram 9
Cross

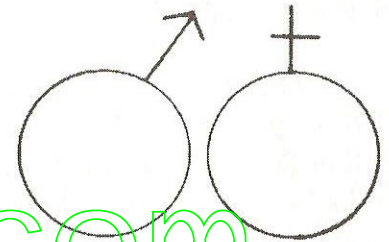

Diagram 10
Male and Female Symbols

The crescent refers to the moon --a dead universal body, which supports and multiplies the physical and mental dead and their forces on the planet earth. The Egyptian book of the pyramids, the cemetery, and book of the dead (The Bible) were magnified by **TEHUTI**, sometimes called **THOTH** or **HERMES TRISMEGISTUS**, also known as Anubis--the jackal dog of the dead. Read dog backwards (in dyslexia) and you get god.

The only way such false concepts as "*immaculate conception*", physical resurrection of their Jesus, and ascension were able to take roots and grow in the first place, is because it was the time and season for such fabrications. There's no such thing as "*immaculate conception*" as you know it - that is spookism. It was an experiment performed by **ELOHEEM** who were scientists

was an experiment performed by **ELOHEEM** who were scientists that pro-created beings, through *in vitro fertilization*, which in your terms would be considered "**test tube babies**"; so this kills the spookism theory (*Refer to Mission Earth, Scroll #82*).

Christianity, as you know it today, took roots at the council of Nicaea (**325 A.D.**) and other councils since then, including the council of Chalcedony (**451 A.D.**). Chalcedony is the **4th** ecumenical council. Ecumenical is the council of church authorities accepted by the church as official. The councils of Nicaea and Chalcedony are two **ecumenical** councils recognized by the Roman Catholics.

The etymological meaning of the word "**gospel**" is *ghost spell* or spell of the ghost, meaning, spell of god. Ghost works by spell or fascination and is therefore **spellbinding**. While 9- Ether works by reason through **knowledge, wisdom, and understanding**. If I am running after the image of other than self and kind, I cannot imagine self and kind as being anything. So they cannot allow any positive Black images, in the highest positions in this society. Those that are there have something wrong with their characters and if they don't have anything corrupt, they will make up something and character assassinate them. So, the accusation is always in the back of your mind even, if that person is cleared of whatever charges. It is a well thought out plan.

What is presented in the booklet called *The Right Knowledge* discloses part of the true history of the Bible, little known or unknown to wooly-haired people. Disclosure of the true history of the Bible is knowledge, and that knowledge helps to destroy ignorance of the oppressed and helps to open the escape route to liberty and equality by the mental process and progress.

Ques: Since Protestantism is an offspring of Catholicism, when was Protestantism born?

Ans: "Protestant" means "**one who protests**", meaning, religiously, one who protests the established order of belief or decorum (order) or both. The order of belief and decorum for the time, **1520 A.D.** in Europe which reference is now made to as *Catholicism*. The etymological meanings of the words "**Catholicism and Pantheism**" are the same in the sense that they both refer to the statue of a huge cat with a king's head at Giza, Egypt. The huge cat called the sphinx at Giza, Egypt, symbolizes the lion of Judah, which is Jupiter also called Zeus.

Figure 61
Martin Luther

Remember, all Greek and Roman Gods were originally Phoenician-Hindu Gods. Literally, the word "**Catholic**" means "**Cat-Holy**" or "**holy cat**". Of course, Catholicism and Protestantism and their many branches and denominations are all Christianity called Christendom, the Canaanites' spiritual world. According to history, **Martin Luther**, a German monk, and **John Calvin**, leaders who spear-

headed the break from Catholicism. This was called the reformation.

Out of the reformation movements, came Protestantism, which represented looser religious practices and less religious discipline. The want for less religious discipline is one of the main

causes of the reformation in Germany, France, England, and other European countries.

Less strictness in religious practices meant that there could be separation of church (the national religion of a country) and state, (the Government of a country). Thereby, under Protestantism, the national religion of a country could pretend to represent one thing while the Government of that same country represents another thing, and this opened the way for greater deception and hoodwinking (underhandedness) by Christian rulers, that is, Caucasian rulers.

For instance, if there was no separation of church and state in the United States, the oppressed would know that it is the oppressor's religion and the spirit forces thereof helping the oppressor to keep the oppressed ignorant and captive even more so than the oppressor's politics and other systems, because the policy of the state would openly be the policy of the church and vice versa. But the separation scheme helps to keep the oppressed masses deceived about the enmity of the slave master's god against the captives. However, in recent years it has been made very clear that the slave-master's religion is as racist as his politics and other parts of his oppressive system. It should be pointed out right here, however, there is nothing wrong with right racism. In fact, everything is right with it.

Ques: What is Right Racism?

Ans: Right Racism preserves the races. There is no other way to preserve the purity of the races but by right racism. The **Tama'-hu** albino seed practices wrong racism, that is, one-sided racism. Right racism is a symptom of race pride and intelligence. Right racism is racism practiced on equal terms; and to practice racism equally, a race must have equal things, beginning with equal universal knowledge. This means being pro yourself, pro your race; but not being against or hating another.

It is ironical and hypocritical that the very ones who introduced racism, as you know it today, in the world, are the ones who practice wrong racism to extremes and are the very ones who tell us now that racism is devilish. To the **Tama'-Hu** albino seed it means that racism is devilish when it is practiced by others, toward themselves; because when others practice it, it means that Caucasian males:

(1) **WOULD NOT** abuse, misuse, rape, and ravish women of other races at will and nothing be done about it.

(2) **WOULD NOT** be able to mongrelize and leopardize, genocide by miscegenation, other races. Miscegenation means sex between a man and a woman of different races.

(3) **WOULD NOT** be able to religiously spellbind and sexually stigmatize the bodies and minds of women of other races and use those women against the men of the women's own race. In other words, right racism prevents **Tama'-hu** men from using the women of another race against their own men of the same race.

Remember, right racism is the only way to preserve the purity of the races and keep peace among the races. Many darker people, especially Blacks, do not realize that the spirit forces that empower the Bible are more racist than the **Tama'-hu** show them to be. By this I mean different races turn against each other, and even those of the same race turned against each other. Protestantism made it easier for them and other races to practice wrong racism on woolly-haired people.

The schism called Protestantism caused a great influx of European heretics (misbelievers) and jailbirds to migrate to America, because Catholicism demanded too much discipline, law, and order. Soon after that influx of separatists and jailbirds from Europe, slavery started in the Americas and the surrounding islands and territories thereof.

In 1520 A.D. the time when **Martin Luther** was excommunicated, from the Catholic Church by **Pope Leo, X**, Catholicism controlled the church and the state. In other words, it controlled the establishment of the country where it had jurisdiction. So Protestantism sprang from Catholicism in the 16th century (around 1520 A.D.) by heresy (disbelief). Catholicism is the mother of all Christendom and, all Christian faiths and denominations, as it exists today. Unfortunately, Protestantism provides and allows separation of church and state, and this means that the masses are allowed to do their own Biblical interpretations, instead of leaving interpretations to the head of the church. Also, people are freer to practice their own evil wills and ways upon self and others without any real religious penalties or punishment. Nevertheless, **Christism** "Christianity" and **Mosesism** "Jewism" in all their forms and practices, are religions of and for the **Tama'-hu** race, not in favor of woolly-haired people.

According to history, the Bible was not completely translated into English until around 1610-11 A.D., and various English versions were produced since the first English translation. Therefore, the Bible, Old and New Testaments are nothing like the original writings, which the present Bible is supposed to represent. In ancient times, laymen were not allowed to interpret spiritual writings, because (1) there would be different interpretations which would confuse the people. (2) Different interpretations would not only be confusing, but also false--the layman not knowing spiritual lingo, and (3) individual interpretation by the masses would open the way for religious profiteering, exploitation, malice, and division; and there are other reasons why spiritual interpretations by the masses are undesirable and detrimental.

Protestantism opened the way for all the foregoing detriments. The schism called Protestantism is an outlaw from Catholicism. In other words, Protestantism is a result of spiritual lawlessness against Catholicism, just as the United States of America is a result of political lawlessness against England, and all

your churches today which includes Baptists, Pentecostals, Jehovah witnesses, 7th day Adventists, born again Christians, spiritual Baptists and all others.

In ancient times, once done, spiritual writings were never altered or revised. If there was something to be added or brought up to date, it would be at the end of the book and labeled properly as such. Altering or revising a holy book means that it was not right in the first place, or someone wants to deceive or mislead somebody into his own selfish way, such as exploitation, oppression, and slavery, which took place in America after the protestant (Protestant) reformation. In ancient times, the masses were kept up to date with current periodic writings already fully interpreted. The masses were not constantly taught about past events, except as history. They were not taught to live in the past or by the past. The masses were always taught that they should say and do for their well-being as of the present, because what was all right for the past may be all wrong for the present, depending on the issues in question or at hand and the surrounding circumstances.

Ques: What is life and can it be eternal?

Ans: A living being gets its life from its parents. The parents of a living being is its personal creator, and nature its impersonal creator. A living being is in the image and likeness of its mother and father. The parents of a living being, is its creator by the help and laws of nature. A child's life is born from its parents and is spontaneous. The father and mother of a child (or any living being) give up part of their lives through the sex act, and this is how the child gets its life. The father supplies the blood through the sex act, and the mother supplies the bones and flesh through the gestation in the womb by the laws of nature by its inborn and spontaneous powers. Life itself is a burning. All life is a burning, including the life of vegetation. In people, the burning takes place in the lungs and blood. A person inhales oxygen and exhales carbon dioxide. Carbon is the residue of burning, that is, carbon is the waste of a

burnt substance or gas. When oxygen enters the lungs, it reaches the blood, and the acids in the blood ignite the oxygen and burn it, and that burning is life. The burning generates light or natural electricity and the blood transmits the light to the brain; then the person is able to think, see, feel, hear, taste, and smell. The burning is spontaneous by nature and acids thereof. This can be seen in what is called Kirlian photography.

Figure 62

*Kirlian photograph showing lighted
fire surrounding this hand*

Kirlian photography is named after a soviet developer called **S. Kirlian** in 1939 A.D. It is a method of capturing on a photographic plate, an image of an aura of energy that emanates from animals and plants, and that undergoes changes depending on physiological or emotional changes (*Refer to Man From Planet Rizq, scroll #80*).

When food substances seep through the lacteals of the small intestines and reach the blood stream, the acids in the blood ignite and burn the substances. The heat and energy produced from the burning generate pressure (blood pressure), and the blood distributes the pressure to the various glands and nerve centers.

Then the person is able to move the various parts of the physical being and the heart is able to keep the blood flowing, and distributing the energy, and nourishing particles throughout the living being to maintain strength and keep the flesh alive. The burning is the initiative to all life activities of the body, for the burning is life. Therefore, when the burning stops permanently, that is the end of life, then the person gets cold and stiff.

Open your mouth and blow your breath on the back of your hands and you will feel heat from the burning. In order to determine whether life can continue after death of the body, it had to be known first, what life is. Now that you know life is a burning, it is also true that the body of a living being provides the condition (the necessary combined factors) for burning, therefore, without this condition for burning, there can be no life. All this means is that physical life cannot go beyond the death of the physical person, because there is no condition outside the physical body that can continue the burning for a person. Hence, when the burning stops permanently, the person's body loses all consciousness and that is the end of physical life. A person's spirit is his or her divine body, and it links to the divine soul making you an **ELOHEEM**, or **Neter "a deity"** and the head of the spirit is his or her mentality, meaning the mind. The breath of life is simply oxygen, one of the gases of nature.

This is the way the ancients had it. The soul is the divine body and mentality of a person. When a child is born, spirits may possess his or her body, but those spirits existed ever since creation. The spirits that possess the person may be **Qa'hat agreeable** or **Netchnetch "disagreeable"** or both, called **ELOHEEM**. This depends on the person's environment and the moment or time of the birth under which the individual was born. Moreover, the seed from which the child sprang is a major factor in determining his or her pattern of life.

Ka-aat "Spirits" being **ELOHEEM**, will most likely take a liking to the person with a nature most relative to theirs, unless they wish to torment someone's mind. Spirits can give false impressions or true ones. This depends upon the nature of the spirits possessing the person. Therefore, in addition to proof, sound reason (instead of spirits or spirit dreams) is the best barometer for determining what is true or false, right or wrong; to be able to make these determinations is why people, by nature, were given the ability to reason, called "**will**" or self-determination.

Spirits, just like people, have laws of their own and those laws are binding by nature. Since spirits are conscious gas forces, they can enter a person at will and leave at will, so long as the entering and leaving are according to the laws and codes by which they exist. The fortune or misfortune (the fate) of a person largely depends upon the spirit forces that accompany him or her and the seed from which the person sprang. Spirit law provides for the evacuation of all spirits just before or at the time of the death of the person they possess; but, the spirit or spirits that take permanent leave from the person's lifeless body are not the individual's soul or life, because they existed long before the birth of the person and they cannot keep the person alive if the burning stops, that is if the person stops breathing. Furthermore, a person can live without soul, because the burning is what's keeping the person alive, and light from the burning transmitted to the brain is what keeps the person conscious.

Spirits are not ones soul or life but the factors that determine what course that person's life will take and the length of his or her life. On the contrary, spirits are not people's lives (the burning proves this), but people may be the lives of spirits, and the life of all visible and invisible. People are the lives of spirits because, at the death of a person, spirits possessing that person

must transmigrate to something or someone else in order to stay alive, for they must keep subsisting feeding on the substance of something or someone's blood.

The ancients further maintained that eternal life for a person or a race is continuous pro-creation (perpetual reproduction) of that person's family or kind. For example, no Nubian is ever dead in the ethnical sense as long as two breeding Nubians, male and female, are still alive and together, because all Nuwaupians, Blacks, are of the same origin or ancestral tree. Hence, as long as there are two breeding Nuwaupians Blacks, all Nuwaupians here or having passed this physical plane, live through them. For all **Nuwaupians, Blacks** are the same flesh and blood.

There is no eternal life in the sense that a person has a personal spirit that continues beyond the death of his or her physical body (this is evident by the burning), and spirits that existed long before the birth of the person and leave the body just before or at death are not interested in maintaining the individual's image, identity, personality, and memories, but their own identities and ways instead. Moreover, since spirits transmigrate from place to place and person to person, there would be too many identities, personalities, and memories for them to maintain from the various persons through the years and centuries.

However, those people who can view spirits may be telepathically influenced by beings of a higher intelligence. And they may see the image of a relative, friend, or acquaintance that is still alive or deceased, because they can alter their form and appear in any image. They can even appear as a *Jesus* or *Mary* to deceive the weak into doing the evil spirits' work, telling them they are on a mission for god and his son. They may also give him/her healing powers, letting them speak in gibberish, or foam from the mouth and fall on the church floor and kick. Then say you got the *Holy Ghost*. Their power can be very misleading to those who do not

know the deceptiveness of what you call spirits. Yet, they have the power to activate the forces of nature. The unholy spirits of Christianity work hard day and night to keep the masses (particularly the Black masses) deceived about the facts of life and death--to keep the captive pacified and the Caucasian in the dominant position. The unholy spirits of Christianity constantly work hard to keep the moon cycle in progress and the Caucasian in power over other peoples.

In light of the preceding answer to life (and can it be eternal) you can readily see that salvation is not what you in the west have been taught that it is. You, in the west, have been taught that salvation is everlasting bliss and happiness is some place in the sky after death if you are good and obedient (of course, good and obedient to the hard taskmaster) (*Refer to What is God Doing For You? Scroll #54*). You have been placed under the spell to think that if you work hard until you die, and pray to a god that's in a place called heaven, who will give you no correspondence (meaning you will receive nothing until you die), you will then go to meet this god in heaven and live happily ever after. Undoubtedly, this nonsense was designed to pacify the oppressed in their captivity and continue working to their death, while the oppressor exploits them in every way. Salvation is protection from all kinds of enemies, including the enemies called hunger, disease, and ignorance, after a people have been liberated from them. Salvation comes after liberation. Liberation comes from the forces of oppression, evil, exploitation, and servitude, while that person or people oppressed are still alive. Salvation is that teaching and those forces that keep a people free and equal.

Liberation for a people or a kind comes collectively for all and not individually, because one is not really free until all of his kind are free. However, as stated elsewhere in this scroll, **I, Neter:A'aferti Atum-Re** offer a do-it-yourself solution to the

problems of achieving liberty and equality for yourselves until all of you woolly-haired people can get mentally strong enough to do what you must do for your liberty and equality, together. A solution that you will find in **the Ancient Egyptian Order, A.E.O.** The do-it-yourself solution means every woolly-haired person who desires liberty and equality can liberate his or her mind from the grave of **amnesia**, gullibility and the prison of ignorance. You can do this by facing and accepting facts and knowledge as outlined in the scrolls called **The Right Knowledge Series**. Once a person's mind is liberated, he or she will do things right that will lead to liberation of the physical body. Once the captive's mind becomes equal to that of the captor, the captive is not a captive any more, because he will do things equal to that of the would-be captor.

Liberation for a person and his kind is true independence from domination by another kind of people. The forces of exploitation, evil, and oppression destroy a people in every sense. Salvation therefore, is protection from those wrong and cynical forces after being separated from them. Independent free people (people who are masters of their own destinies) need no liberation, for they have it already. Yet, salvation they constantly need, but through disobedience of the laws of nature, they can and will lose it. Look at all the natural disasters. Mother Nature is tired of mankind and the abuse she has endured from them. She is attacking with full force with all that she can. Some of the attacks were in the form of diseases and attacks from nature such as: Ebola, killer bees, the new diseases, animal deformities, hurricanes, tornadoes, fires that are out of control, floods all over the world and hail storms. The world is in total chaos.

All of this is now happening to the **Tama'-hu** race as the end of their **6,000** year rule. A people in oppression and captivity are in hell, and this brings us to the next question of life. But remember, eternal life for a person or a race is perpetual pro-

creation, meaning continuous reproduction on through the centuries.

Ques: What and where is heaven and hell?

Ans: Now that you know there is no individual who has a personal soul that will go to some heaven in the sky or hell fire under the ground after death, this changes the mental and physical location of heaven and hell for people of Earth. Heaven and hell exist indeed, but not in the sense and places the oppressed peoples have been taught. Heaven and hell are states of condition, and whatever condition one finds oneself in at any given time is his heaven or hell, no matter where he or she may be. If one is in captivity and oppressed, that is hell for that person. If one has troubles day and night, that person is in hell. If an individual is in bad health and he or she cannot get or afford the proper attention that is hell. If he or she is hungry and his or her clothes are ragged and is living in a society with closed doors to his or her well-being and economic progress, that is hell. When a person or a people are deprived of freedom, justice, and equality, that is hell for those deprived.

Heaven is where those of a kind make it for themselves, and hell is where those of a kind let others of a kind make it for them. Heaven is in no particular place beyond the stars; it is wherever heavenly conditions are for those realizing the bliss. A place can be heaven at one time and hell at another time. A place can be heaven for one kind and hell for another kind at the same time. For example, the United States of America is basically heaven for the **Pa Tama'-Hu** albino seed and basically hell for Nuwaupians, Blacks. Hell is in no particular place; it is wherever hellish conditions are for those experiencing the misery.

However, there is wrong heaven and right heaven. Wrong heaven is hell for the oppressed. Wrong heaven is the heaven of the oppressor because his heaven is built upon, strives upon, and survives upon a foundation of fabrication, slavery, killing, exploitation, and oppression. Right heaven is the heaven of liberty

for all in a society of justice and equality for all. Right heaven includes the necessary provisions and protection for all. But the only way people can have right heaven is that each race be in a land of its own, minding its own business, and practicing its own way of life. Liberty, justice, and equality are ingredients that make up heaven. Liberty, justice, and equality are forces of rightness. No one wants to rest all the time. People get tired of resting all the time, just as they get tired of working all the time. Hence, heaven is not a place of rest all the time. Heaven is reasonable rest and reasonable work plus the responsibilities for well-being and happiness. Heaven and hell are right here on the planet earth in the person of fleshy people. Heaven and hell are states of condition; whatever condition you find yourself in at any place or time is your heaven and hell.

Basically, the following is how **Amam "Leviathan"**, who produces ghost, keeps hell going by way of the **Tama'-hu , Ghost Race**; **Amam "Leviathan"** is the boss or head of the unholy spirits of **Pa Tama'-hu**, race and mankind in general, and it commands the most powerful, knowledgeable, and orderly unholy spirits of itself to **Pa Tama'-hu** race for the purpose of ruling and oppressing. However, **Amam "Leviathan"** commands the least powerful, most ignorant, and disorderly unholy spirits of itself to its captives for the purpose of submission, servitude, and informing the oppressor, because knowledge and order rule ignorance and disorder. Moreover, the unholy spirits of ignorance and disorder make the oppressed, instead of the oppressor, look like the villain. Furthermore, destructive, ignorant, and disorderly unholy spirits, possessing the oppressed by the will of **Amam "Leviathan"**, compel the oppressed people to distrust, dislike, and reject each other the same way the oppressor rejects them. Most times the oppressed do not deal fairly with each other, and this is cause for distrust of each other. Most times the oppressed are destructive and disorderly, and this is the reason for dislike of each other, but all this is being done by evil spirit forces dispatched by **Amam "Leviathan"** to the oppressed to aid in keeping them down trodden

through ugly words and ugly works. Spirit forces can cause people to be dumbfounded or cause them to be mentally keen.

Evil demons live and strive on the blood and suffering of the innocent. Therefore, when those sadistic spirits are ready to subsist on the blood and rejoice at the suffering of the innocent, they cause the **Tama'-hu** race to provoke the innocent or cause the oppressed to become discontent and rebel against the oppressor, knowing that the oppressor will willingly shed the blood of the innocent and rejoice in their suffering caused by his vicious attacks.

That's what you see with the chaos in the world every day. Something is happening on the television. Those crimes that are geared toward Nuwaupians, Blacks, such as the shooting of 16-year old Black male youth *Ahmadou Diallo*, who was reaching into his pocket to get a key and was shot at 41 times and hit 19 times by several White New York Cops. What about the recent execution of the Black kid *Gary Graham* in Texas, accused, convicted and executed for a crime. Although there was evidence that would have proved his innocence; however, no stay of execution was issued. Yet in the case of a **Tama'-hu** person named *Ricky McGuinn*, a death row inmate, was given a 30 day reprieve for a Dna test by Governor Bush, just minutes before his execution. McGuinn was accused of raping his 12-year old step-daughter and failed the **Dna** test. Yet and still there was no rush for his execution after failing his test. Where is the justice? This happened in the same state Texas, under the same governor. There are numerous hate crimes, racial crimes, and incidents and murders due to racial profiling that are occurring and have occurred all over the country. Why? To spark a riot so it would justify the killing of more Nuwaupians, Blacks. They know their time is running out. They know they are at the end of their reign, and they have to try and do anything that will extend their rule. They tied into the vine trying to prolong their existence, because they know that if a **Nuwaupian, Black** married 1 **Tama'-hu**, the kids produced, would automatically be

classified and be genetically **Nuwaupian, Black**, that would be the end of the **Tama'-hu** race. That is also a way of getting into your genes because they know that every 4th generation or fourth child, is where a change in the genes takes place. If you are a Nuwaupian, Black with a lot of recessive genes, you should only have children with someone closest who is of the darker **Nuwaupian, Black** as opposed to someone with a lighter complexion, especially if you are in the 4th generation, or are two people of the fourth generation which is when the change in the genes occur. This is not a Racist Statement. This is a genetic fact and is just to make sure the genes of Nuwaupians, Blacks, stay Black. If you are so busy running behind and after an image other than your own, then you have no love for self and kind. With this the spirit forces of **9-ether** will not help you, while the forces of **6-ether** will use you for their purpose and then leave you.

In other words, **Amam** "*Leviathan*" deliberately sets up opposition against itself and defeats it through brutality or kills it off, for that is part of the pleasure and livelihood of that spirit monster dragon--this is the nature of the unholy spirits of **Pa Tama'-hu** race that keep hellish conditions flourishing and prevailing. That is the nature of **Pa Tama'-hu** race religion whose purpose is to keep the **Tama'-hu** in the dominant position over other people. The thing that causes most of the ills in the world, as you know it, is Dracula, which means "*son of the Draco*". The name **Dracula** comes from a species of **Remusyan** "*Reptilians*" or serpent people called **Gargoyles** with flaps of skin supported by long ribs of Dracona, the human vampire.

**V-ampire = V-impire =
victory for their impire**

The **Tama'-Hu** race is **Dracula** who live by the scapegoat doctrine. The satanic scapegoat is called, **Azazl** the devil or Satan, and the serpent or reptilian in the Bible.

The Hebrew doctrine maintains that the ghost, the god and spirit of the **Tama'-hu** race must survive by killing the living to obtain their blood, because ghost has no blood (life fluid) of its own, and it loves (most of all) the blood of Nuwaupians, Blacks, for yours is the richest by nature of all blood on the planet. So the dead, the ghost of Dracula, creates conditions called captivity and slavery, so that it may have victims whom it can conveniently prey upon whenever it needs additional blood for life.

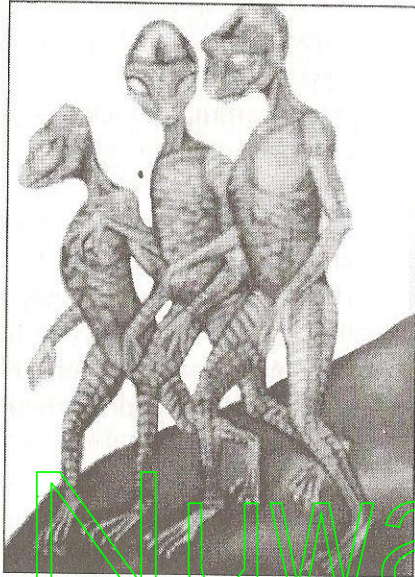

Figure 63
Reptilians of Dracos

Have you ever wondered why they take so many tubes of blood from you when you only need a drop to conduct experiments? They are vampires and need a steady supply of fresh blood. The blood of the best known victims of Dracula is sent to the high places in **Tama'-hu** religions, and that blood is offered up to 6- ether (Jesus) and the ghost (god), the spirits of the ghost subsists on the blood, then ghost gets thicker and stronger in the atmosphere around the earth, for it is multiplied from the blood of those victims offered up in rituals and those whose blood is spilled outright. As ghost gets thicker and stronger in the atmosphere, its posterity the **Tama'-hu** race gets stronger to perpetuate oppression and captivity and keep the captive prepared for future needs of the ghost and its posterity. The satanic scapegoat **Azazl** doctrine

further maintains that the guilty must survive on the blood and suffering of the innocent and ignorant. So *Dracula*, in the person of the **Tama'-hu** race, pounces on its prey in the darkness of the night, because then its victim is unaware of what is really happening. Dracula created that darkness (ignorance) in the minds of your forefathers and their children to use YOU as adjusting tools when something goes wrong in its oppressive system, and to have YOU for exploitation. The darkness of the night, for the oppressed people of the world, is the ignorance of their minds.

But Dracula cannot withstand the sun successfully and the light, **The Right Knowledge**, thereof, because the sun destroys the darkness (ignorance) which Dracula must have, to practice its evils of death upon its victim. So, as the sun rises, if Dracula refuses to go back to its crypt, it will be forced by nature to destroy itself by help of nature, for Dracula cannot survive the rays of the sun. The crypt of Dracula is the mountains or caves today called "high rises" or condos. The **Tama'-hu** race is the visible and spiritual manifestation of the death forces, because, like symbolic Dracula, their creator and activator are the unholy spirits (ghost) of the Necropolis, a cemetery. Remember? The slave captive is the subsistence and scapegoat for Dracula and the death forces, which gives Dracula power.

Nevertheless, all this misfortune can be overcome through the acceptance of **The Right Knowledge, The Right Wisdom, and The Right Overstanding**, which leads to **right action** by the help of the forces of nature. This will be learned through the *Ancient Egyptian Order, A.E.O.* The discontentment and rebellion of the oppressed against their miserable conditions are justified 100 per cent; but the bloodshed and suffering for such action only serve to strengthen the oppressor, if the discontentment and rebellion are not channeled in the right direction by **The Right Knowledge**, which leads to **Sound Right Reasoning**. To put it

another way, all suffering done and every drop of blood shed by a woolly-haired person, while he or she is a Christian or Muslim, a servant and victim of the **Tama'-hu** is shed for the cause, betterment, and salvation of the **Tama'-hu** race, whether or not you agree with them, Because the **Tama'-hu** is the visible god of Christianity and Jewism as **Amam "Leviathan"** producing ghost is the invisible god of the same.

They call it an unseen god, a ghost, spirit, fire, etc. Yet, what you have come to worship are spirit monsters of the necropolis like Frankenstein, Dracula, The Zombie, The Mummy, The Werewolf, etc. I must repeat it again, **Pa Tama'-hu** people live by white magic and Nuwaupian, Black people should live by **Black Magic**. But they don't. You know **Pa Tama'-hu** seed does, because there is a man named **John Edward**, born and raised in Long Island, New York who communicates with the dead every night on his show *Crossing Over with John Edward*, that airs on the **Sci-Fi** cable network. *John Edward* communicates with the dead, be they family, friends, uncle, step relative, parents grandparent and even great grand parents. **John Edward**, a Christian, is doing this on national T.V. and is doing it for Christians; yet they don't see this as a form of devil worship or Satanism or new age or spiritual upliftment of warlocks. All of a sudden, it is all right for a man to conjure up spirits on television, when people were burned and killed for such practices.

When we identify with our ancestors, as far back to Ancient Egypt and call them for help and guidance, we are pagans, while their T.V. ratings are shooting up and people are calling in like crazy. This was our way of life, which has ancestral worship with rites and rituals, real, yet we are called pagans. This man is confirming our way of life, the Egyptian way of life. But this man can go on T.V. with his crosses and star patterns that resemble pentagrams, because he is a Christian, and be allowed to communicate with the dead. What they are showing you is, that there are ghost forces of

6-ether that do indeed exist; and likewise those of **9- ether**, which **6-ether** comes out from, exists.

Make note have you seen many or any Blacks on this show? Recently, he had a black actress, *Tisha Campbell* on **August 23, 2000**, and while talking to her, he and she got stuck on **Tama-Re "Egipt"** and he kept repeating and seeing the Sphinx and the Pyramids. This was something she did not recognize, but we did. It was her Egyptian past coming through.

If you really look at what he is doing, this is what the Bible calls a **necromancer**, practicing calling on the dead. The same that is spoken about in the Bible as speaking with familiar spirits found in **Deuteronomy 18:10**. According to the Bible this is an abomination and according to the Christian church, he is practicing Paganism and Pantheism. **Necromancy** is something that people of this same Christian church have persecuted and even killed people for, doing and labeling them with all kinds of negative titles.

Figure 64
John Edward

This is the same practice that was condemned by being burned at the stake hundreds of years ago in Europe and America. Now the descendants of these **Tama'-hu**, Europeans today called, Euro-Americans, are praising **John Edward**.

That tells you that they are dealing with their spirit forces, the Ghost; but the moment we profess and practice our way of life **Nuwaupu**, based on the *Egyptian Mysteries* what they study called Egyptology, we are ridiculed and made to feel ashamed of our positive powers called **Black Magic**, when that is where our strength is, and for practicing our power, we are called pagans and

infidels. Egyptology is based on ancestral reverence and identifying, acknowledging, and giving thanks to our ancestors, whether it is through Kwanzaa, Yoruba, or what white people have labeled Voodoo in Haiti.

When we identify with our grandparents, great grand parents or even our ancient ancestors as far back to the time of Ancient **Tama-Re** "Egipt", and call on them for guidance, we are pagans.

Yet, these hypocrites are doing the exact same thing. They are just calling on their dead spirits and we are calling on our ancient ancestors. We identify with our ancestors or grandparents and call on them for help. Yet, a white person is allowed to communicate with the dead on television and do "pagan" rituals for all kinds of staunch Christians carrying crosses and statues of St. Jude, their Bible and Rosaries, and nothing is said about it. As a matter of fact, he is receiving more offers for T.V. shows. The good side of all of this is what *John Edward* is doing is merely confirming our way of life. We have been in contact with our ancient ancestors for thousands of years before white people began to exploit it.

Blacks should be living by *black magic* however, Blacks are still living by white magic, a spell of ghost or gospel (ghost spell) under the white and Indo-Arab religions called Christianity, Islam and their trickknowledge called the media. They have their face in your face all day on television from the time you get up in the morning until the time you go to sleep, and they even get into your dreams. They make sure they are in every facet of your life. They are on videos, in movies, they are the newscasters, your teachers, the judges, the T.V. Evangelist, the preachers, the soap opera stars, they are in the commercials, and anything else you can name. This is their master technology of the hypnotic spell.

In other words, instead of the Nuwaubian, Black masses physically rebelling against the oppressor - a rebellion that will

leave the masses of Nuwaupians, Blacks, dead or hurt - the masses must rebel instead against the lies and ignorance created by **Apophis** which keep the minds of **Nuwaupians**, **Black** people imprisoned and their spiritual strength weak. To make it plainer, the only rebellion the Nuwaupian masses can win at this time, is a **mental** and **spiritual** revolution, which will put the Nuwaupian masses in mental and spiritual power. Then they will have the power to do anything else that may be necessary for complete liberation and well-being. The reading, studying, and acceptance of **The Right Knowledge**, **The Right Wisdom**, and **The Right Understanding**, as found in the scrolls written by MYSELF, **Neter: A'aferti Atum-Re**, are the weapons that all Nuwaupian, Blacks, woolly-haired people should arm themselves with. Then universal power will work with **YOU** and for **YOU**, individually and collectively. A person has accepted **Right** and **Universal Knowledge** when he or she practices that knowledge. **YOU** must do that which is practical and sensible for yourselves and that which **YOU** can succeed in.

Ques: What is mercy, forgiveness, and justice?

Ans: Mercy is delay of justice until a later time. Then justice will fall upon the individual guilty one himself (or herself) or upon his or her seed or kind, because each and every one of a kind is one flesh and blood, for they sprang from the same ancestral tree or origin. **Forgiveness** is temporary transference (removal) of guilt from the guilty one to the forgiver. However, forgiveness does not free the guilty from his or her wrong-doing because, according to the laws of nature, the guilty one must account for his wrongs personally, or the guilty one's seed or kind must do so.

Forgiveness is to take the guilt of someone upon self, and thereby the forgiver becomes an accomplice of the guilty. Therefore, his penalty or punishment is the same as the guilty, but the forgiver's punishment comes before that of the guilty, because

the act of the forgiver is a temporary transference of the guilt to himself, meaning the punishment of the actual guilty one is delayed until later since the forgiver has taken it upon himself. However, the innocent paying the price of the guilty does not satisfy the laws of justice, because the innocent did not commit the wrong. The guilty one himself (or herself) must finally take the punishment of guilt in full, then the laws of justice are satisfied.

Moreover, a person cannot forgive another person for some wrongness the culprit did to a third party, for the only one who can truly forgive is the victim himself, because he or she is the one who suffered the hurt and harm, and the victim does not have the power of forgiveness unless he or she is in his or her right mind, and one cannot be in his or her right mind unless he or she knows, accepts, and understands **The Right Knowledge**. A person has accepted **The Right Knowledge** when one knows **The Right Knowledge** and practices **The Right Knowledge**. **The Right Knowledge** is **Universal Knowledge**.

If a person of one kind forgives another person of his own kind, he has forgiven himself; because all people of the same kind are one flesh and blood by nature and ancestral tree or origin and justice works by the seed, that is, ancestral lineage. **Justice** is words for words and deeds for deeds, "*not equal to the amount sown but equal to the amount grown*", which means this: the one who initiates a wrong deed is an aggressor whose wrongs may cause a chain reaction of wrong deeds, but the wrong-doer of the original wrong act is responsible for all the wrongness which results from the original wrong act.

Therefore, the one who first sowed the seed of wrongness must reap the whole harvest according to the laws of justice, because he is the aggressor as well as the transgressor. However, all who were a part of the chain reaction of wrongness are accomplices of the original aggressor, and will meet the same fate

as the aggressor. If they deliberately follow in the footsteps of the aggressor, knowing that he is wrong and violating the laws of nature. Since the time of **Qadmon, Zakar "Adam" and Nekaybaw, Hawwah "Eve"**, real justice was delayed, and therefore, evils and wrongs have continued to pile up, until those injustices have reached their peak. And the peak is supposed to and has triggered **Armageddon** or **Ha Megiddo** which is going on right now in Camp David, which I said would start back up in the year **2000 A.D.** This is the last war of **Pa Ah "The Moon"** cycle, the war between right and wrong. Justice cannot be destroyed, hence, it was only delayed by mercy and transferred by forgiveness, temporarily.

If one Iota of justice could be destroyed in the sense, that Iota exists no more. There would be no such thing as wrong or right. Armageddon started before the end of the moon cycle and is still going on all over the world. The moon cycle ended officially in the year **1970 A.D.** However, the hangover will not be terminated until the end of Armageddon in the year **2030 A.D.** Since the guilty themselves have not accounted for their wrongs during the **Moon cycle**, a period of **6,000** years allotted to them. The end of the moon cycle was the time predestined for their reward in the form of justice.

The only way **Pa Ah "The Moon"** cycle could exist in the first place was by mercy and forgiveness, meaning on the blood and suffering of the innocent and those with strong morals, because it was a cycle of weaknesses for the existence of the wicked. To overstand existence within **Pa Ah "The Moon"** and **Pa Re "The Sun"** cycles you must first overstand that there are 4 cycles. As stated before each is **6,000** years being: 2 moon cycles - when **Haylal**, the son of **Tarnush, Apophis**, and his children dominated and 2 sun cycles when people of pure pigmentation or **Nuwaupians, Blacks**, rule and come to your glory. In the

previous moon cycle, **Haylal**, **Apophis**, was created out of poisonous wind or a smokeless fire of the previous sun cycle. That's in the **Qur'an "Koran"** when it speaks about **Ibliys**, **Apophis** who in his arrogance, disobeyed the command of **Allah "The Source"**, who ordered him to bow out of respect to Adam after his creation. Because he was **akbar "older"** than **Adam**, **Zakar**, who was created out of clay of the moon cycle, found in **Qur'an "Koran" 2:34** says, "**istak bara**", which is another verb form for "**older**". This Disagreeable being named **Ibliys**, **Apophis** was big-chested and full of pride.

AND BEHOLD WE SAID TO THE ANGELS: "BOW DOWN TO ADAM"; AND THEY BOWED DOWN NOT SO IBLIS HE REFUSED AND WAS HAUGHTY HE WAS OF THOSE WHO REJECT FAITH.

The Elders calculated your time and made a 12 month calendar. When broken up it's actually a thousand years individually. And combined it comes out equal to **24,000** years altogether; and the circumference of the planet is **24,896**. If you round this number up you get **25,000**, as in every **25,000** years, a renewer of your story comes. Once the information has, reached around the globe and back to America as it has then a renewal of right knowledge or information of our story is necessary to set the records straight as is happening now, which has called my presence **Amunnubi Raakhptah**, as the reformer and renewer of "your story".

The cycles actually run into each other; and when the planet **Ta "Earth"** completes its equinox, passing **Jupiter** and **Titan**, that's when everything starts over again. That's what the replenishing is all about. Everything renews itself. The first **1,000-** years of this **Re "Sun"** cycle is when everyone who cannot live under the sun will be killed off by "the sun of righteousness"

(Refer to *The Scroll of Malachi*, **SCROLL #111 Chapter 4**) and the rest of the years of this sun cycle will be used for the people of pure pigmentation to prepare for the replenishing as did your descendants and ancestors. The **9-ether** Nuwaupians who were called **Ptahites**, survived the meteorite shower **14 million** years ago. The ozone layer will be totally destroyed allowing gamma rays, x-rays, ultra-violet rays to enter the atmosphere to destroy everything on the planet Earth. However, the children of the **ELOHEEM, NETERU**, those who listen and are prepared, will be protected because they will be inside the center of the earth until the replenishing - the end of the equinox. The vast injustices done against the innocent since **Qadmon, (Zakar Adam)** and **Nekaybaw (Hawwah, Eve)** shall cause the impact of Armageddon to be so great that, when the war is over, there may be but few structures erect and few people left alive.

Rest assured, those left alive will be the innocent and roots of this new **Re "Sun"** cycle, the cycle of liberty and equity. Everyone who lived long enough during the moon cycle did something wrong for that was the cycle of wrongs, therefore, the innocent are those persons and the offspring of those persons who did not knowingly cross a race line and intentionally do something wrong to a person or persons of another race, just because he or she was or is a person of another race. The foregoing knowledge and universal law points out how important a race line is - universal and spiritual innocence or guilt is determined by the race line. If a person of one race does harm to a person of another race because the justice in nature (universal law) requires it, it was an innocent act. Among the guilty are those persons of a race who knowingly and deliberately worked and/or works against their own race for a price or for nothing to please and help a person or person of another race.

When a person knows and overstands that: if the punishment for wrongs he or she does, misses him or her who transgressed, the punishment will eventually fall upon the

transgressor's own children or the transgressor's own kind. That person who knowingly transgresses now would be very careful in the future to follow the way of **The Right Knowledge, The Right Wisdom** and **The Right Overstanding** to the best of his ability and information. If that person is sensible and intelligent, because no sane father or mother wants their son or daughter to suffer the punishment for what the mother or father did wrong.

The same holds true for the other races. Apparently, the **Tama'-hu** race felt that it was all right to cross the race line and do what he desired to other races and nothing would ever come of it, so long as he did not do that to himself. But an act of wrongness is still a deed of wrongness, whether one does it to himself, his own kind, or some other kind, and the process of justice is the same. However, when one race crosses the race line to aggression and transgression against another race, because it is of another race, the laws of justice are more strict, and more drastic in the final punishment, because people of different races are not the same flesh and blood. Therefore, when a **Tama'-Hu** does harm to a **Nuwaupian, Black** he has violated the code of the races as well as the code of rightness. These codes are defined and explained in the science **NUWAU-PU**. It suffices here to state that the code of the races is a strict and drastic system of laws by nature.

Ques: What is death and the Resurrection?

Ans: Of course, death is the reverse or opposite of life. Since life is a burning, then physical death is the permanent stoppage of that burning. There are various kinds of death; economic death, linguistic death, nominal death, historical death, unity death, spiritual death, citizen death, cultural death, mental death, and physical death. All deaths (except physical death) are parts or phases of mental death. A person may be resurrected from all deaths but physical death. Once a person is really physically dead to the extent that his or her body gets cold and rigor mortis takes

over (which means that the law of decomposition has gone into effect), there is no return to physical life for that person, because the law of decomposition cannot be reversed. Decomposition (decay) can be made to stand almost still as in the case of a mummy, but it cannot be reversed.

Ques: What about people who can make their pulses almost stop?

Ans: There is such a thing as a trance in which a person seems to have no pulse beat and no respiration, and later he or she comes out of it. That kind of thing is done by spirit demons, but the person was never physically dead. When a person dies indeed, the brain cells are damaged beyond consciousness, and even if the heart could start beating again, the mental consciousness could not return.

Ques: What is a zombie?

Ans: A zombie is a dead body reanimated by spirit demons whose purpose is to scare and terrify, but the person is neither alive mentally nor physically in the same way, as when he was fleshly alive. In other words, a zombie is a trance body or dead body being used by demons or spirit demons, but there is no such thing as a person being resurrected back to physical life in the useful sense. YOU know as physical life, after he or she is physically dead. Physical death of a person is the unity and completion of all deaths as an individual personality.

An individual's ideologies and thoughts (if put in writing and action) may survive the death of the body and prevail, but this is not the person's physical mind or mentality; it is the works of his or her mentality, for the mental faculties die with the rest of the person. Only the divine soul of **EL** called **ELOHEEM** live on for the rebinding into the **EL**. Therefore, the works physical or mental

or both, of a person may survive physical death, but nothing else such as a personal body, because there is no personal mind other than the mental of all the race.

The physical body and mind are married as one. In the case of the Jesus of 2,000 years ago, the resurrection was a fabricated story designed to deceive the world, just as the story of the "immaculate conception" and ascension were fabricated to spell bind the people. Also religious histories show record of at least 14 such stories like that of Jesus --all existing before the time of Jesus of 2,000 years ago. Those stories, like that of Jesus, were impractical and illogical. They were allegory. All of those **virgin-born-resurrection-ascension** tales were mainly Hindu Indian legends in the east and west. Originally however, the life-death resurrection-ascension story came from us the Nuwaupians, Ancient Egyptians, Blacks, with the conception story of **Haru "Horus"** who was conceived and birthed by **Aset "Isis"** after the untimely passing of **Asaru "Osiris"**. But when only the Nuwaupians had it, it was overstood that the story was a description of the works of nature. But when **Pa Tama'-hu**, race got hold of the story from the Phoenicians they mixed with. **Pa Tama'-Hu**, took the real overstanding out of it, and used the story to fascinate darker people, Nuwaupians, Blacks, into spiritual ignorance and gullibility for the purpose of oppression and exploitation.

The Nuwaupians', Black's story about nature covered a 24-hour period and it went this way:

"The sun is the king and ruler of the solar system, who sits on the throne at midday (this is the time the sun is highest in the sky) the sun is the bright and morning star and the light of the world, who by his ray (light) gives life to the world, meaning, the earth and the things thereof and the rest of the solar system, because the sun is the burning that is the original source of all lesser burnings (natural and artificial) in the solar system. The sun is the creator of the solar system, meaning, the planets and their satellites in this part

of the universe. From his throne, the sun condescends and descends to earth. When the sun reaches the earth, he sheds blood (the red hue of the sun at sunset) by which he gives life to the world as he is put to death on the cross, meaning, on the earth, because the astronomical symbol of the earth and moon is a cross in a circle; look under the word planet in a dictionary with a table of the planets. He (the sun) is put to death by the demons of darkness (sundown). The sun enters hell or darkness called the grave (gravitation) and rises from the grave (the dead) in the morning (sunrise or levitation) victorious over death, hell, and the grave and ascends back into the heavens where he always reigns."

The preceding is the core of the Nuwaupians' story concerning the sun. More and more original meaning of the story, the sun was also used to symbolize, then ideas were added to this story, until it was eventually applied to individual men such as **Krishna, Rama, Buddha, Jesus**, and other savior types. So, the true meaning of the story was lost. In the true story, the death of vegetation, in the evening or shadow hour, was when the sun of nature appears to go down and the life of vegetation at day break when the sun appears to go up. The phrase "son of god" used by **Pa Tama'-hu** race in the Bible was termed "**Sun of Nature**" in the original Nuwaupian story. In other words, **Pa Tama'-hu** albino seed, changed the phrase *sun of nature* to *son of god* in order to deceive **YOU**.

However, the phrase *son of god* is in keeping with **Tama'-hu** origin. In other words, the phrase "*son of god*" is right for the **Pa Tama'-hu** albino seed. **YOU** can see from what has been stated in the previous paragraphs, there is no such thing as a physical resurrection for physically dead people, neither individually nor collectively nor does the sun set or rise yet only appears to. Because the body and the mind are the soul and they cannot be restored to usefulness after physical death. The resurrection mentioned in the Bible, though false, can be applied to the resurrection of the mentally dead people, which began at the end of **Pa Ah "The Moon"** cycle, the cycle of ignorance, who are

being resurrected by right knowledge from the grave of spiritual and cultural ignorance, gullibility, and injustices that they might take their proper place and position in the life of liberty, unity, justice, equality and rightness. All of this is being given to you through **The Ancient Egyptian Order, A.E.O.**

Amam, The Hypnotic Spell Of Kingu, The Spell of Sleep, Spiritual ignorance and racial blindness, or amnesia of knowledge of self and kind has, a hold on so many Black people, but you wake up through **The Right Knowledge, The Right Wisdom and The Right Overstanding**. **Pa Tama'-Hu "The White"** Albino seed were given **6,000** years in the hands of **Amam, "Leviathan"** and were assigned one of the Eloheem named **Tammuz** as your guardian or god for the **6,000** years. While under the spell of **Amam "Leviathan"** sleep, **Nature "The Neteru"** are were awaiting your awakening, which is now and is the end and the **6,000** year reign of **Apophis** and the end of the **Ah "Moon"** also called the silver cycle. Now you, sleeping god people must regain your memory of self from this state of **amnesia**. It is time for you to become conscious again. That love that you had for self and kind must be rekindled. **Nuwaupians, Blacks**, are finally reclaiming what is rightfully yours. The forces of **9-ether** and your gods, **Neteraat "Supreme Beings"**, referred to as Mother Nature, are coming out to you. They are here all around you to help you. Don't reject them. They are you.

You must, as **Supreme Beings** god-man and god-women, step forward equally and take your rightful place as rulers of the planet responsible for self and kind. Together for you need the spirituality of the man and the attunement with nature – of the woman and rule equally as one balanced being, within all, All in All.
